I. STATEMENT OF OVERALL APPROACH, POLICIES AND OBJECTIVES

The Housing Choice Voucher Program was created by the Housing and Community Development Act of 1974 and amended by the Housing and Community Development Acts when applicable.

The Housing Commission of Anne Arundel County (HCAAC) serves as the Public Housing Agency (PHA) for all of Anne Arundel County. HCAAC applies for and receives allocations of Housing Choice Voucher Annual Contributions Contracts (ACC), which gives authority to operate this program as required by regulation, throughout the County by direct administration. The Housing Commission may utilize components of the program, such as Group Home, Shared Housing and Single Room Occupancy subsidies as economic conditions warrant. It is anticipated that project based vouchers will be utilized as a potential component as needed. HCAAC will also seek to apply for additional funding and resources to expand and enhance the program, and will complete any changes to the program as required by Federal Regulation.

A. PURPOSE OF THE PLAN

The Housing Choice Voucher Programs are designed to achieve five major goals:

- 1. To assist very low income and low-income families with rent payments.**
- 2. To enable Housing Choice Voucher participants to have a greater choice in housing types and locations.**
- 3. To provide decent, safe, and sanitary housing for eligible participants.**
- 4. To provide incentives to private property owners to rent to low income families by offering timely assistance payments.**
- 5. To help facilitate a transition from housing assistance to self-sufficiency through implementation of the Family Self-Sufficiency (FSS) Program.**

B. USE OF THE ADMINISTRATIVE PLAN

The Housing Commission of Anne Arundel County has full responsibility for the satisfactory completion of all contractual obligations with the Department of Housing and Urban Development (HUD) and for complying with all subsequent changes pertaining to these Programs. If such changes conflict with the Plan, HUD regulations will have precedence. The administrative burden for implementation and compliance with the Federal regulations rests with the HCAAC. The Plan covers both admission and continued participation policies for the Program. Policies are the same for all programs, unless otherwise noted. Changes to the Plan will be approved by the HCAAC Board of Commissioners and HUD.

All issues not addressed in this document related to tenants and participants, including owners, are governed by the Housing Choice Voucher Guidebook, 7420.10G, Federal regulations, HUD or PHA notices, memorandums, and guidelines.

Where the word "may" appears throughout the text, HCAAC has discretion in the implementation of the policy described.

Wherever the word "must" appears throughout the text, HCAAC will implement the policy as stated.

C. FAIR HOUSING POLICY

It is the policy of HCAAC to comply fully with all Federal, State and local non-discrimination laws and to operate in accordance with the rules and regulations governing Fair Housing and Equal Opportunity in housing and employment.

Specifically, HCAAC shall not on account of race, color, sex, religion, creed, national ethnic origin, age, family or marital status, handicap or disability, deny any family or individual the opportunity to apply for or receive assistance under HUD's Housing Choice Voucher Programs, within the requirements of the HUD regulations.

To further its commitment to full compliance with the Civil Rights laws, HCAAC will provide Federal, State and local information to Voucher holders regarding "discrimination" and any recourse available to them should they feel that they have been a victim of discrimination. Such information will be made available during the family briefing session and all applicable Fair Housing information and Discrimination Complaint Forms will be made a part of the Voucher holder packets.

D. ADMINISTRATION OF PROGRAM FUNCTIONS

Outreach to Families:

The following outreach steps will be taken by HCAAC to maximize compliance with the ACC allocations:

- 1. HCAAC will announce the program to the local newspaper, minority media, and other appropriate media channels. In addition, recognizing that there are persons who do not, or cannot read the newspapers; HCAAC will distribute fact sheets to the broadcasting media.**
- 2. An announcement will be posted at the HCAAC Administrative Offices.**
- 3. Public meetings will be with community organizations to inform residents of the Program when warranted.**

Outreach to Owners:

Orientations for owners will be conducted as needed to make dwelling units available for leasing by eligible families. Owners of units located outside of areas with a high, low-income or minority concentration will be encouraged to participate. On a continuing basis, HCAAC will welcome the participation of owners of decent, safe and sanitary housing units.

A list of interested landlords and their properties available for the Housing Choice Voucher Program is maintained by HCAAC. This list is updated on an ongoing basis and is made available to prospective tenants upon request.

E. PROJECT BASED VOUCHERS

The Housing Commission currently has Project Based Voucher contracts at various locations, Wiley H. Bates (71), Admiral Oaks (16), Glenview Gardens (70) Heritage Crest (100), Sarah's House (21), Fouse Center (7), The Lighthouse Shelter (6) and Bowman Community Development Corporation (6). Details regarding the implementation of project based vouchers are outlined in an addendum attached to this plan. The Housing Commission may increase the number of Project Based Vouchers to add units under contract to owners who provide housing, for Homeless Service Providers for Transitional Housing and supportive services to consumers with disabilities who meet specific eligibility criteria outlined in a Request for Proposals. The agency will limit the contracts initially to less than 100 project based vouchers. All components of the project based voucher program outlines in the Project Based Voucher Addendum (Pages 65-71) remain applicable.

F. SINGLE ROOM OCCUPANCY

The Housing Commission continues to recognize the need for affordable housing for the County's homeless and disabled population. For specific landlords who provide housing and supportive services (such as The Arc of the Central Chesapeake Region, Inc., VESTA, Inc., Supportive Housing Developers, People Encouraging People and the Anne Arundel County Assertive Community Treatment) require flexible housing resources such as SRO (Single Room Occupancy) units. In order to better serve these consumers HCAAC will be encouraging the use of and incorporating SRO's into their portfolio with organizations such as those listed above.

II. COMPLETION OF APPLICATIONS, DETERMINATION OF ELIGIBILITY AND SELECTION OF FAMILIES

A. FILING OF APPLICATION

All persons who wish to apply for participation on the Housing Choice Voucher Program must first file a preliminary application with the HCAAC Housing Resource Office. The application must be made by the head of household, or his/her designee.

B. DETERMINATION OF ELIGIBILITY

If an applicant is determined to be eligible, said applicant is notified in writing that he/she has been placed on the waiting list. If an applicant is initially determined to be ineligible because of income, criminal background or family composition, said applicant is notified in writing and advised that he/she may ask for an informal review to discuss the decision.

1. Applicants owing debts to HCAAC or another PHA from previous assistance on the Housing Choice Voucher Program and/or Public Housing Occupancy will be notified in writing of the amount owed, and will be given ten (10) days to enter into a repayment agreement. If, after entering into the repayment agreement, the applicant defaults, the pre-application will be withdrawn from the waiting list.
2. If at the time the applicant's name reaches the top of the waiting list, the debt is still outstanding; the applicant may be ineligible and will be notified in writing of such and of their right to informal review and given 10 days to request an informal review.
3. Applicants for the program may be denied admission for a period of up to three (3) years of a charge date for drug related or violent criminal activities that threatens the safety or wellbeing of other citizens or communities. HCAAC reserves the right to deny housing assistance to a family or single applicant if a family member has engaged in or been evicted from federally assisted housing due to drug-related or violent criminal activity in the past three years prior to eligibility determination.

HCAAC is not required to list the family on the waitlist or to admit the family off the waitlist. A waiver, however, may be granted for an individual who clearly did not participate in or have knowledge of drug related or criminal activity or if the circumstances leading to eviction no longer exist.

4. Applicants owing debts or outstanding payments to a utility company. or another PHA will be notified in writing of the amount owed and will be given thirty (30) days to pay the amount in full. If the amount is not paid in full, the pre-application will be withdrawn from the waiting list. HCAAC reserves the right to grant an extension to any applicant that provides proof that the debt is being paid in full.
5. Applicants with an outstanding warrant identified on the criminal background investigation will be given thirty (30) days to properly clear the warrant. HCAAC reserves the right to grant an extension to any applicant that provides proof that the case is being cleared.

To be eligible for assistance, an applicant must meet the following criteria:

 - (3) Would not be living in the unit except to provide the necessary supportive services.

All Family members who will be assisted through the Housing Choice Voucher program must be listed and verified as household members at the time of acceptance on the Program. Additions to the household will only be permitted if they meet the criteria listed above, and at the request of the head of household. Additions to the family must be as a result of birth, marriage, custody, adoption, or reasonable accommodation for health care. These situations must be verified prior to addition to the family.

The family will be allowed a ninety (90) day grace period in which to provide the appropriate documentation. One additional ninety (90) day grace period will be granted if HCAAC determines that, in its discretion, the applicant's failure to comply was due to circumstances outside the control of the applicant. If the applicant family does not produce the required documentation within the authorized time period, HCAAC will terminate the tenancy in accordance with 24 CFR 5.218.

C. PREFERENCE IN SELECTION OF TENANTS

Applicants who qualify under 24CFR 982.207 for Selection Preference are given priority on the waiting list. All applicants with the following Primary Preferences will receive assistance "before" any other applicant who is not so qualified. An applicant qualifies for a preference if they meet any of the following conditions.

- 1. Substandard Housing: A unit is substandard if it:**
 - a. Has been declared unfit for habitation by a government agency.**
 - b. Is dilapidated (does not provide safe, adequate shelter; has one or more critical defects requiring considerable repair, endangers the health, safety, and well-being of family).**
 - c. Does not have operable indoor plumbing.**
 - d. Does not have a usable flush toilet in the unit for the exclusive family use. Does not have usable bathtub or shower in the unit for exclusive family use.**
 - e. Does not have adequate, safe electrical services.**
 - f. Does not have an adequate, safe source of heat.**
 - g. Should, but does not, have a kitchen.**

An Applicant who is a "Homeless Family" is considered to be living in substandard housing if they:

- a. Lack a fixed, regular, adequate night time residence.**
 - b. Have a primary nighttime residence that is supervised public/private shelter providing temporary accommodations, or an institution providing temporary residence for individuals, intended to be institutionalized, or a public/private place not ordinarily used as a sleeping accommodation for human beings. ("Homeless Family" does not include any individual imprisoned/detained pursuant to State Law or an Act of Congress.)**
- 2. Involuntary Displacement: Involuntary displaced applicants are applicants who have vacated or will (within no more than six months from date of verification) vacate housing as a result of:**
 - a. Federal, State, or local government action related to code enforcement, or public improvement/development.**

- b. **A disaster such as a fire or flood that results in the un-inhabitability of an applicants' unit.**
 - c. **Action by a housing owner which is beyond an applicant's ability to control, occurs despite the applicant having met all previous conditions of occupancy, and is other than a rent increase.**
 - d. **Victims of domestic violence, as defined by the Violence Against Women Act, who have to vacate due to actual or threatened physical violence directed against the applicant or the applicant's family by a spouse or other household member. This violence must have occurred recently or be of a continuing nature.**
 - e. **Displacement to avoid reprisals (witness relocation), displacement by hate crimes, displacement by inaccessibility of unit (e.g., a family member with a mobility impairment cannot use critical elements of the unit), and displacement because of HUD disposition of a multifamily project.**
3. **Paying in Excess of 50% of Income for Rent: The definition of this preference involves definition of two terms: "Annual Income" and "Rent".**

For purposes of the Preference Rule, "Annual Income" is monthly income, as defined in 24CFR 5.609. "Rent" is defined as:

- a. **The actual amount due under a lease or occupancy agreement (calculated on a monthly basis), plus the monthly amount of tenant-supplied utilities, which can be either:
 - i. **The PHA's reasonable estimate of the cost of such utilities, or**
 - ii. **The average monthly payments family actually made for these utilities in the most recent 12 month period, or shorter period if appropriate.****
- b. **Any amounts paid to or on behalf of a family under any energy assistance program must be subtracted from the otherwise applicable "Rent" amount, to the extent that these amounts are not included in Annual Income.**
- c. **Applicants whose rents will be increased 50% or more of their income after completion of Rental Rehabilitation.**

The Commission has also established Ranking Preferences for housing eligibility to include:

4. **Living or Working in Anne Arundel County:**

- a. **Anne Arundel County mailing address (which does not include a Post Office Box number).**
- b. **Application for or possession of driver's license or vehicle registration indicating a Anne Arundel County mailing address.**
- c. **Statements of residence on other identification.**
- d. **Registration of children in local schools.**
- e. **Head, Spouse or other Family member either working or hired to work in Anne Arundel County.**

5. Working Family

Working Family which is defined as:

Applicant households whose head, spouse, or sole member is age 62 or older or is receiving social security disability, supplemental security income disability benefits, or any other payments based on the individual's inability to work; or those who are in or have completed educational or training programs including enrollment in an accredited vocational school; a matriculating student in college designed to prepare people for the job market. It may also be narrowed to require that either the head or spouse be employed for at least six months and that the employment income must be countable under HUD's definition of "annual income."

6. Income Requirements

Families will be assigned in accordance with the income targeting requirements established based upon waitlist demographics. Targeting requirements will be evaluated annually in January of each year and modifications will be made as an internal communication as amendment to this policy.

The policy will reflect waitlist demographics as indication of the demand required upon the program. The Housing Commission will continue to adhere to the Federal Requirements as they are updated.

The targeting requirements will also be set with emphasis on insuring that the program can be well utilized by the recipients and that families of all income ranges can benefit from the program.

The selection preferences and priorities established in this section will be administered in a manner that is consistent with HUD's Fair Housing policy

D. WEIGHTING OF THE PREFERENCES

The Housing Commission assigns ten percent (10%) of the voucher program funds for use under the circumstances identified in this section. Highest priority for housing will be offered to Omni House, The Arc of the Central Chesapeake Region, Supported Housing Developers, County Mental Health (PEP) Program, Thomas Pumphrey House, ACT, VESTA Inc., Willow House, county residents who are brought to us by the State’s Attorney through witness protection, and other types of structured group homes which provide sheltered housing for individuals who are either elderly, physically or mentally disabled or participating in a special needs program. The program participants are issued vouchers for the unit size required. The units are filled with applicants from the Housing Choice Voucher waiting list who are participants of their shelter programs. The tenants are selected, however, by the representatives of the service providers.

Re-certifications are conducted in accordance with the procedures established in this plan. When a tenant is removed from the home, he/she will be replaced with an eligible shelter program participant as defined above, on our active Housing Choice Voucher waiting list.

Regardless of the number of Preferences as applicant may qualify for, only a maximum of three Preferences shall be assigned to the applicant for a total of five (5) points.

An applicant shall be placed on the waitlist in the chronological order in which they apply, and the number of preference points assigned.

| <u>PREFERENCES</u> | <u>POINTS</u> |
|--------------------------|---------------|
| Substandard Housing | 3 |
| Involuntary Displacement | 3 |
| 50% of Income | 3 |
| Living in A.A. Co. | 1 |
| Working Families | 1 |

1. HCAAC anticipates that tenants may be affected by rehabilitation of their units and may encounter increased rent burdens, which reach a level that may qualify the family for a preference.
2. The Executive Director/Chief Executive Officer may assign temporary preferences as necessary in accordance with market conditions; or agreements

with local developers and/or management entities; including the Housing Commission and Housing Corporation.

Applicants who do not meet the criteria for any preferences as discussed in this Plan will remain on the waiting list according to the date and time of the application.

E. MAINTAINING THE WAITLIST

A list of interested families will be maintained when immediate assistance is not available. This waiting list will be maintained according to the applicant preference and ranking status, date and time of the family's application. All Applicants must report in writing to the Housing Resource office any change in address, family composition, income, or factors affecting preference points when changes occur. An applicant's waitlist status is maintained on an automated voice mail system and can be retrieved via the telephone on a 24-hour basis. The waitlist is updated weekly.

HCAAC reviews the waitlist at least once every twenty four (24) months in order to determine the interest/need of the applicant. Any waitlist determined to be closed at the time of review may not be updated. The review process identifies those applicants that have not made any updates or inquires within a twelve (12) month period. Before HCAAC purges an applicant from the waitlist, the applicant will be notified by regular mail and/or e-mail, according to their stated preference, that they must indicate their ongoing interest in obtaining housing by responding to HCAAC. The mailing is sent to the last known address (s) on file. If the mailing is received by HCAAC indicating by the US Postal Service that it is undeliverable then the applicant will be removed from the waitlist.

Should applicant not respond to the request for updated information or to selection for the program for any reason, prior to the established deadline, the applicant will be deleted from the waiting list. Reasons for non-response, resulting in deletion from the list, include (but are not limited to) negligence in returning the form in a timely manner; relocation resulting in a return of the blank form to the Commission with no forwarding address. The waitlist will remain open for acceptance of applications until a determination is made by the Executive Director/Chief Executive Officer to close the waitlist and at such time a notice will be posted in the legal section of the local newspapers.

If an applicant believes he or she was removed from a waiting list without cause, he or she may request an informal review with ten (10) business days of the indicated withdraw date identified in the correspondence from the Housing Resource Office.

It is the policy of the Housing Commission of Anne Arundel County to provide a reasonable accommodation(s) in housing for participants with disabilities where reasonable accommodation is needed to provide an equal opportunity to use and enjoy the Housing Commission's programs and premises.

The Housing Commission has entered into a HAP Contract to subsidize units at the Wiley H. Bates Senior Housing (71), Admiral Oaks (16), Glenview Gardens (70),

Heritage Crest (100) Sarah's House (21), Fouse Center (7), The Lighthouse Shelter (6) and Bowman Community Development Corporation (6) communities. These are project based voucher programs and require separate waitlists, based solely upon date and time of application. Glenview Gardens will administer thirty five (35) project based vouchers that require service provision that will be monitored annually.

The Housing Commission will maintain separate waiting lists for the Thomas Pumphrey House and Oakleaf Villas, which are facilities managed by the Housing Corporation of Anne Arundel County that provide supportive services to at-risk populations who require housing choice vouchers. Applicants for these programs must meet stringent requirements and will be ranked by date and time of application only.

The Housing Commission will also maintain a separate waitlist for transitional housing programs utilizing housing choice vouchers. These programs will be established with service providers in the County who offer site-based support to stabilize at-risk populations. The service provider will refer applicants, and preference will be based upon date and time of application only.

III. OCCUPANCY GUIDELINES

HCAAC, in accordance with HUD guidelines, has established standards for the assignment of Vouchers (number of bedrooms) appropriate for the applicant family.

The basic standards for determining the appropriate Voucher size for an eligible family are as follows:

- **A minimum of one bedroom or living/sleeping room of appropriate size for each two persons in the household.**
- **Separate bedrooms shall be assigned to persons of the opposite sex, except for:**
 - a) **husband and wife;**
 - b) **male/female cohabitants (as defined in the Glossary); and**
 - c) **children age 5 and under**
- **Dependents of the same sex, regardless of age, shall be assigned one bedroom for each two persons.**
- **The unborn child of a pregnant head of household or spouse shall be considered a dependent under the age of 5.**
- **Children who have reached the age of three (3) years will be given a separate bedroom from that single parent.**

A. OCCUPANCY STANDARDS FOR ASSIGNMENTS

| <u>VOUCHER SIZE</u> | <u>MINIMUM # PERSONS IN HOUSEHOLD</u> | <u>MAXIMUM # PERSONS IN HOUSEHOLD</u> |
|----------------------------|--|--|
| 1 BR | 1 | 2 |
| 2 BR | 2 | 4 |
| 3 BR | 3 | 6 |
| 4 BR | 4 | 8 |
| 5-6 BR | 6 | 10-12 |

TYPICAL FAMILY COMBINATION ARE AS FOLLOWS:

ONE BEDROOM VOUCHER

1 adult
2 adults (husband/wife or spousal relationship no dependents)
Mother with unborn child

TWO BEDROOM VOUCHER

An elderly, handicapped or disabled person with a live-in resident assistant
A head of household (with or without spouse) with either one or two dependents

THREE BEDROOM VOUCHER

A head of household (with or without spouse) with either two or three dependents

FOUR BEDROOM VOUCHER

A head of household (with or without spouse) with either five or six dependents

FIVE BEDROOM VOUCHER

A head of household (with or without spouse) with either seven or eight dependents

SIX BEDROOM VOUCHER

A head of household (with or without spouse) with either nine or ten dependents

B. EXCEPTIONS FROM BASIC OCCUPANCY GUIDELINES

Exceptions to these standards may be granted by the HCAAC to allow the assignment of a larger unit size than specified in the standards if warranted by the conditions affecting family members. All exceptions must be requested by the family, verified and documented by the HCAAC. Exceptions shall be granted at the discretion of the HCAAC.

The preceding categories of occupancy standards are guidelines only. A family may elect to occupy a smaller unit than these guidelines would dictate if they so choose.

C. UNIT SIZE SELECTION

The family may select a larger dwelling than that listed on the Voucher.

Two criteria are considered for the Voucher Program:

- **Payment Standards:** The Payment Standard for the Voucher size approved for the family or the unit size actually selected by the family, whichever is less, must be applied to the unit.

- **Utility Allowance:**

HCAAC will use the appropriate utility allowance for the lesser of the size of dwelling unit actually leased by the family or the voucher size issued to the family, as determined under the PHA subsidy standards.

In cases where a reasonable accommodation has been provided to a family that includes a person with disabilities, HCAAC will use the appropriate utility allowance for the size of the dwelling unit actually leased by the family.

D. ADDITIONAL FAMILY MEMBERS

Any family member 18 years or age or older who are removed from the Housing Choice Voucher Program will not be permitted as a future eligible household member.

Additions to the family must be as a result of birth, marriage, legal custody (or through designee from a parent or other person having custody, with written affidavit of such parent or other person), adoption, or reasonable accommodation for health care. These situations must be verified prior to addition to the family.

IV. INCOME VERIFICATION AND PAYMENT CALCULATIONS

A. VERIFICATIONS REQUIRED TO DETERMINE ELIGIBILITY

- **Annual income of all family members 18 years of age or older expected to reside in the unit. Income would include employment, benefits, school grants, support, interest or dividends from savings accounts, stocks, or bonds.**
- **Assets such as real property, savings accounts, stocks, and bonds.**
- **Unusual expenses such as child care to enable family members to work or furthering their education. Medical expenses for elderly family in excess of 3% of families annual gross income.**
- **Full-time student status of adult family members.**
- **Family composition such as relationship of adult family members, children with last names different from parents, custody, if applicable, foster care papers, and other similar situations of unusual family composition.**
- **Medical information could be required to justify a larger bedroom size voucher than the family is otherwise eligible.**
- **Regular contributions & gifts from person(s) outside the household will be counted as income. Casual or sporadic gifts are excluded.**

(2) Document in the tenant file why third party verification was not available as required by 24 CFR 982.516(a)(2): and

HCAAC may accept an applicant or participant’s self-certification as verification of fully excluded income. HCAAC’s application and reexamination documentation, which is signed by all adult family members, may serve as the self-certification of the fully excluded income. HCAAC reserves the right to elevate the verification requirements if necessary, to determine if a source of income qualifies for a full exclusion.

To annualize full employment, multiply:

- hourly wages by 2080 hours**
- weekly wages by 52**
- bi-weekly amounts by 26**

- **An imputed income from assets:**
- **Imputed income is calculated by multiplying the total net family assets by the specified interest rate. The current rate established by HUD is 0.06% and will be changed as per regulatory changes.**

Family assets include:

- **Amounts in savings and checking accounts.**

In such cases the asset must be disclosed to the Housing Commission staff and a written affidavit from the client stating the type of asset and that they do not have access to, nor do they receive any income from the asset. Should the situation change and the client is granted access, it is incumbent upon the assisted**

family to disclose the change and report the asset within 10 calendar days of the occurrence.

- **The amount of equity in a mobile home for those families participating under the Mobile Home Pad Assistance.**

F. ADJUSTED INCOME

Gross annual income minus allowances for dependents, elderly household deduction, child care, medical and handicap expenses equals adjusted income.

1. Dependent Allowance

\$480 for each household member who is under 18 years of age, or is handicapped, disabled or a full-time student.

The head, spouse, foster child or live-in attendant are never counted as dependents.

Cannot count unborn child or child to be adopted until the child is physically in the household.

A full-time student is one carrying a full-time subject load (as defined by the institution) at an institution in a degree or certificate program.

2. Elderly Household Deduction

\$400 per family for all families in which the head or spouse is at least 62 years of age or handicapped or disabled. The \$400 is a household deduction (only one per family, even if both head and spouse are elderly).

3. Child Care

Reasonable child care expenses for the care of children, including foster children, age 12 and younger may be deducted from annual income if all of the following are true:

- **The care is necessary to enable a family member to work or further his/her education (academic or vocational);**
- **The expense is not reimbursed by an agency or individual outside the household; and**
- **The expenses incurred do not exceed the amount earned.**

4. Allowance for Handicapped/Disabled Family Members

Families may deduct anticipated expenses for care attendants and "auxiliary apparatus" for handicapped or disabled family members if such expenses:

- **Enable a family member (including the handicapped family member) to work;**
- **Exceed three percent of Annual Income; and**
- **Do not exceed the earned income of the household member(s).**

"Auxiliary apparatus" are items such as wheelchairs, ramps, adaptations to vehicles, special equipment to enable a blind person to read or type, etc. if directly related to permitting the physically challenged person or other family member to work.

5. Medical Expenses

The medical expense deduction is permitted only for households in which the head or spouse is at least 62 years of age or disabled.

If the household is eligible for a medical expense deduction, the medical expenses of all family members are counted.

They may include:

- **Services of health care facilities.**
- **Medical insurance premiums.**
- **Prescription/non-prescription medicines.**
- **Transportation to treatment.**
- **Dental expenses, eyeglasses, hearing aids, batteries.**
- **Live-in or periodic medical assistance.**
- **Monthly payment on accumulated medical bills.**

Allowable Medical Expense is that portion of total medical expenses that is in excess of three percent of annual income.

6. Earned Income Disregard

The earned income disallowance encourages participant self-sufficiency by rewarding certain residents who go to work or have increased earnings.

During the first twelve (12) calendar month period beginning on the date a member of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the PHA must exclude from annual income of a qualified family an increase in income of the family member as a result of employment over prior income of that family member. After the first calendar twelve (12) month period after the date a member of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the PHA must exclude from annual income of a qualified family fifty percent of any increase in income of such family member as a result of employment over income of that family member prior to beginning of such employment. The disallowance is limited to a lifetime twenty four (24) month period for a qualifying family member; at the end of the twenty four (24) months, the disallowance ends regardless of how many months were used.

A qualified family is defined as a family residing in housing assisted under the Housing Choice Voucher Program:

- a. Whose annual income increases as a result of employment of a family member who is a person with disabilities and who was unemployed for one or more years previous to employment;**
- b. Whose annual income increases as a result of increased earnings by a family member who is a person with disabilities during participation in any economic self-sufficiency or other job training program; or**
- c. Whose annual income increases, as a result of new employment or increased earnings of a family member who is a person with disabilities, during or within six months after receiving assistance, benefits or services under any state program for temporary assistance for needy families funded under Part A of Title IV of the Social Security Act, as determined by the PHA in consultation with the local agencies administering temporary assistance for needy families (TANF) and Welfare-To-Work programs. The TANF program is not limited to monthly income maintenance, but also includes such benefits and services as one-time payments, wage subsidies and transportation assistance-provided that the total amount over a six-month period is at least \$500.**

Disallowance of increase in annual income

Initial twelve month exclusion - During the cumulative twelve month period beginning on the date a member who is a person with disabilities of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, HCAAC will exclude from annual income of a qualified family any increase in income of the family member who is a

person with disabilities as a result of employment over prior income of that family member.

Second twelve month exclusion and phase-in - During the second cumulative twelve month period after the date a member who is a person with disabilities of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, HCAAC will exclude from annual income of a qualified family fifty (50%) percent of any increase in income of such family member as a result of employment over income of that family member prior to the beginning of such employment.

Maximum twenty-four disallowance - The disallowance of increased income of an individual family member who is a person with disabilities as provided above is limited to a lifetime twenty-four (24) month period. This section only allows for a maximum of twelve months for the initial exclusion and a maximum of twelve months for the second twelve month exclusion.

The disallowance of increases in income as a result of employment of persons with disabilities under this section does not apply for purposes of admission to the program (including the determination of income eligibility and income targeting).

G. SPECIAL CALCULATION FOR HOUSEHOLD WHO ARE ELIGIBLE FOR DISABILITY ASSISTANCE AND MEDICAL EXPENSES

If a family has both medical expenses and disability assistance expenses, a special calculation is required.

Three percent of annual income must first be deducted from the handicap assistance expenses. Any remainder is then deducted from total medical expenses.

H. METHODS OF VERIFYING NECESSARY INFORMATION

- 1. Third Party (Independent) Verification: This should be used whenever possible as it provides the most reliable results. If other methods are used, the file should contain documentation to explain the reason. This documentation should be used to verify information obtained via the Enterprise Income Verification System (EIV).**

Third party verification refers to written or oral verification from employers, public agencies, physicians, etc. If oral, the file must be documented with the date and name of HCAAC staff member receiving the information.

Internal Revenue Service Data: This source can be used for income purposes and is especially useful when self-employment is involved. The information must be from the most recent year filed.

2. **Review of Documents:** When documents are reviewed they must be photocopied unless prohibited by law. When photocopies cannot be made, information must be recorded, dated, and signed.

Notarized Statement or Signed Affidavits may be accepted from applicants or participants when all other sources have been exhausted. They should not be accepted in lieu of other possible methods.

Verifications for income or expenses must be updated if older than 60 days, for the purpose of certification with the exception of fixed sources of income, referenced in Section VI.

Note: In the case of Child Support and other State provided documents, the amount eligible shall be utilized, not the amount received or historical receipts. If irrefutable evidence exists to prove that the awarded amount is not being dispersed, or no benefits at all, to the family, the average period benefits will be used.

3. **Enterprise Income Verification (EIV) Data:** This information is provided for all clients and must be reviewed and evaluated. The information provided must be verified by methods identified in parts 1 and 2 of the section. Social Security data provided by EIV does not require further verification.

I. INELIGIBLE DETERMINATION AT TIME OF VERIFICATION

Families may be determined ineligible if their income exceeds the very low income standards prescribed by HUD. Families requesting to transfer their housing assistance from another jurisdiction must meet the HUD established income limits for the Commission's area.

Families may be determined ineligible when their income is such that the Total Tenant Payment is equal to or exceeds the highest rent standard for the unit size for which the family would be eligible.

Families may be determined ineligible if it is discovered that a household member submitted fraudulent information, participated in bribery or any other corrupt or criminal act. Families may be determined ineligible if it is discovered that the use of alcohol/drugs would likely result in conduct that would adversely affect the property environment.

Applicants for the program may be denied admission for a period of up to three (3) years of a charge date for drug related or violent criminal activities that threatens the safety or wellbeing of other citizens or communities. The Housing Commission must prohibit admission to the program of an applicant for three years from the date of eviction if a household member has been evicted from federally assisted housing for drug related criminal activity. However, the Housing Commission may admit the household if the Commission determines: (1) that the evicted household member who

engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation approved by the Commission; or (2) that the circumstances leading to the eviction no longer exist.

The Housing Commission may prohibit admission for a period of three (3) years if: (1) the Commission determines that any household member is currently engaging in illegal use of a drug, and/or (2) the Commission determines that it has reasonable cause to believe that a household member's illegal drug use or a pattern of illegal drug use may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents, and/or;

The Housing Commission will prohibit admission to the program if any member of the household is subject to a lifetime registration requirement under a State sex offender registration program.

The Housing Commission will prohibit any household member who has ever been convicted of criminal activity involving violence or drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.

The Commission will not rely solely on the arrest record in cases where there is potential denial for criminal activity.

J. NOTICE OF DECISION AND INFORMAL REVIEW PROCESS

The PHA is required to provide Informal Reviews on Applicants in accordance with federal regulations. The Informal Review and Hearing Policy is incorporated in this Administrative Plan under separate addendum on Page 72.

V. BRIEFING OF FAMILIES AND ISSUANCE OF VOUCHERS

Every effort is made to thoroughly brief potential tenants on all Housing Choice Voucher Programs. This effort includes both individual and group briefings. At the individual briefings, the tenant can ask questions specific to his/her own circumstances. At the group briefing, the following tools may be used:

- An audio-visual presentation;**
- An oral presentation;**
- A question and answer period; and**
- Distribution of related materials.**

At the briefings, pertinent information is discussed on all programs. Especially stressed are all tenant responsibilities.

In an effort to aid families in housing selections, a listing of available units is maintained by the Housing Commission. These properties are not pre-screened, and this is so stated to the families. When possible, additional assistance is provided by the Housing Choice Voucher Coordinator for families having difficulty finding housing.

Prior to issuance of a Voucher all income verification must be current within (60) days.

Once issued, a family is given 60 days to locate suitable housing in the locale of its choice. Two additional 30-day extensions can be given upon the family's request by the Department Supervisor(s), provided that the family is able to justify the need for an extension.

If the Voucher expires at the end of the initial 60 day term without an extension or if it expires after any additional term requested and approved, the family may reapply for the program if they so desire, if the waiting list is open, and be placed back on the waiting list according to the date of their reapplication. HCAAC may not determine the family to be ineligible for the program on the grounds that it was not able to utilize a previously issued Voucher. Any expired Vouchers should be reissued to the next eligible applicants on the waiting list as soon as possible.

It is the policy of the Housing Commission of Anne Arundel County to provide a reasonable accommodation(s) in housing for participants with disabilities where reasonable accommodation is needed to provide an equal opportunity to use and enjoy the Housing Commission's programs and premises.

A. HOUSING QUALITY STANDARDS (HQS) AND INSPECTIONS

Effective on the implementation date approved by HCAAC, all units passing the initial annual inspection during the immediate twelve months prior will be eligible for a biennial inspection 24 months thereafter. All other units not passing the initial annual inspection will be deemed ineligible for the biennial process until such unit receives a passing grade on an initial annual inspection; and will remain on an annual inspection cycle until such time.

All assisted families will be given the option to request an inspection if their unit is on a biennial cycle and is not scheduled for inspection during a particular year. A Request of Inspection form will be included in their Annual Recertification documents or may be requested from the Housing Opportunities office. If the unit has had a Special Inspection requested by the tenant or landlord within the last 12 months, they will also be required to pass their initial annual before being incorporated into the biennial process.

If there is a change in tenancy with a new lease and HAP contract, the unit must pass their 1st annual inspection in order to be included in the biennial process.

At any time HCAAC reserves the right to revoke a unit's biennial status and reverted to the Annual Inspection process.

Any units selected for the biennial inspection process will revert to an annual inspection basis if they fail an initial annual inspection.

The HCAAC will use the HUD acceptability criteria in the program regulations and the HUD Inspection booklet (HUD 52580) for all inspections of dwelling units and adheres to the following additions:

- **All units must have at least one smoke detector for each living level in the unit and each sleeping area within each occupancy classified residential, as defined in the most recent edition of the National Fire Protection Association Life Safety code adopted by the State Fire Prevention Commission, shall be equipped with at least one approved smoke detector..**
- **At the discretion of HCAAC, subject to HUD approval, landlords will be required to scrape and repaint all surfaces cited for peeling paint with two coats of non-lead paint or otherwise suitable cover where there is a child under seven years of age residing or expected to reside in the unit.**

In addition to ongoing inspections, periodic, random review of completed inspections will be performed by supervisory personnel at a minimum of 5% sampling of inspections to ensure quality control.

If the annual inspection reveals that the unit is not in decent, safe and sanitary condition as required by the HQS criteria, HCAAC will immediately notify the owner *and tenant* of the deficiencies and require that the conditions be corrected within 30 days.

If the owner does not take the required action to correct the deficiencies deemed as his/her responsibility within 30 days, HCAAC will abate the housing assistance payments until such time as the owner corrects the deficiencies, not to exceed seven (7) business days. The housing assistance payments will be resumed once the deficiencies are fully corrected by the owner, but HCAAC will not make payments for the period the unit was not in compliance. Tenants who do not correct the deficiencies in a timely manner will have their assistance terminated.

At agency discretion, on a case-by-case basis, physical re-inspections for minor non-life threatening deficiencies may not be required. However, statements, invoices, photographs and documents must be submitted within the allowable time period in lieu of the physical inspection. If the violation(s) are not corrected after a second inspection, within the prescribed time period, the Housing Assistance payments contract will be terminated.

If there are serious deficiencies that present an immediate danger to the health and safety of the family, HCAAC will require a correction of those deficiencies within 24

hours. (The owner however, is not responsible for HQS violations caused by the family. Such violations include damage to the unit by the family or guest beyond normal wear and tear and verification of the absence of tenant paid utilities.)

If the owner does not take the required action to correct the deficiencies deemed as his/her responsibility within 24 hours, HCAAC will abate the housing assistance payments until such time as the owner corrects the deficiencies, not to exceed seven (7) business days. The housing assistance payments will be resumed once the deficiencies are fully corrected by the owner but, HCAAC will not make payments for the period the unit was not in compliance. Tenants who do not correct the deficiencies in a timely manner will have their assistance terminated.

If the violation(s) are not corrected after a second inspection, within the prescribed time period, the Housing Assistance payments contract will be terminated.

Owners who have repeated fail grades on consecutive initial inspections will receive a warning letter notifying them that they are not compliant with program regulations. If units continue to fail thereafter, an owner may be terminated from the program and no additional contracts will be allowed until the owner can prove they have the ability to comply with program obligations.

B. LEASE APPROVAL AND HOUSING ASSISTANCE PAYMENTS CONTRACTS EXECUTION

In the execution of the Lease Agreement and Addendum to the Lease, both parties (tenant and owner) will be made aware of required and prohibited lease provisions. Both parties will receive a copy of pertinent contract documents. Upon receipt of a Request for Tenancy Approval, signed by tenant and owner, HCAAC will insure that the contract rent:

- Is within the applicable Payment Standard and,
- Is reasonable in relation to rents currently being charged for comparable units in the private, unassisted market, also

HCAAC will also ensure:

That the owner of the unit is not subject to certain federal actions such as debarment, suspension or denial of participation under 24 CFR 982.306.

That the owner has not engaged in drug trafficking.

That the owner does not have a history or practice of violating Housing Choice Voucher HQS or applicable Housing Standards.

Upon approval of the Request for Tenancy Approval the voucher becomes suspended, i.e., the expiration date of the voucher is stopped pending the outcome of the unit inspection.

That the owner is not an employee of the Housing Commission in any capacity. This would constitute a conflict of interest and is strictly prohibited.

Also, the Housing Commission reserves the right to deny a Request for Tenancy Approval or lease renewal on any unit that has had a history of repeated HQS failures, and/or has had a HAP Contract terminate due to abatement.

Release of Information

HCAAC is required upon request to provide the following information to owner regarding tenants who wish to lease their dwelling unit in accordance with Section 982.307(b).

- **The Family's current address as shown in our records.**
- **The name and address of the Landlord at the Family's current and prior address (if known).**

HCAAC is also required to give the family a statement on HCAAC's policy on providing information to owners. This statement will be included in the family's information packet as required by 24 CFR 982.307 (b) (3).

C. PAYMENT STANDARD RENT LIMITATIONS

The Gross Rent for a Voucher Program unit shall not exceed the standards of rent reasonableness according to local market conditions that are applicable for such unit on the date of Lease approval. Federal Statute may impose other limitations that shall become effective to maintain compliance.

D. SEPARATE AGREEMENTS

Owners and tenants may execute agreements for services, appliances (other than for range and refrigerator) and other items outside those which are provided under the lease if the agreement is in writing and approved by HCAAC.

In order for there to be a separate agreement, the tenant must have the option of not utilizing the service, appliance or other item.

HCAAC is not liable for unpaid charges for items covered by separate agreements and nonpayment of these agreements cannot be cause for eviction.

VI. ANNUAL/BIENNIAL/TRIENNIAL ACTIVITIES

A. REVIEW OF FAMILY CIRCUMSTANCES, RENT, UTILITIES, AND HOUSING QUALITY

All families (includes all adult members) will be scheduled for recertification interviews to provide information on income, assets, allowances, deductions and family composition at least annually (except those families with fixed sources of income) and in accordance with Section 982.516 of the Federal Regulations. (See Verification Procedures)

All families (includes all adult members) with fixed sources of income will be scheduled for recertification interviews to provide information on income, assets, allowances, deductions and family composition at least once every three (3) years (triennially) and in accordance with 24CFR 982.516) of the Federal Regulations.

“Family member with a fixed source of income” is defined as a family member whose income includes periodic payments at reasonably predictable levels from one or more of the following sources:

- (1) Social Security, Supplemental Security Income, Supplemental Disability Insurance;**
- (2) Federal, state, local, or private pension plans;**
- (3) Annuities or other retirement benefit programs, insurance policies, disability or death benefits, or other similar types of periodic receipts; or**
- (4) Any other source of income subject to adjustment by a verifiable cost of living adjustment (COLA) or current rate of interest.**

In accordance with 24CFR 982.516, HCAAC may by means of a streamline income determination allow families, who self-certify as having fixed sources of income, to complete recertifications once every three (3) years. Eligible families are families who have an income, as of their most recent review, of which 90 percent or more consists of fixed-income.

HCAAC must use a COLA or current rate of interest specific to the fixed source of income in order to adjust the income amount and, must obtain third-party verification of other income amounts in order to calculate the change in income for the source.

For any family member whose income is determined pursuant to a streamlined income determination, HCAAC must obtain third-party verification of all fixed-income amounts every three (3) years. Other income for each family member must be determined at least annually.

During the annual reexamination process, HCAAC will accept a family’s declaration that it has total net assets equal to or less than \$5,000, without taking additional steps to verify the accuracy of the declaration. If a family submits such a declaration, then HCAAC will not request supporting documentation (e.g., bank statements) to verify

the assets or the amount of income expected to be received from those assets. The family's declaration of total assets must show each asset and the amount of income expected from that asset. The total amount of income expected from all assets must be less than or equal to \$5,000.

Whenever a family member is added, HCAAC will obtain third-party verification of that family member's assets. At the next annual reexamination of income following the addition of that family member, HCAAC will obtain third-party verification of all family assets if the addition of that family member's assets puts the family above the \$5,000 asset threshold. If the addition of that family member's assets does not put the family above the \$5,000 asset threshold, then HCAAC will not obtain third-party verification of all family assets at the next annual reexamination of income following the addition of the family member; however, third-party verification of all family assets is required at least every three (3) years.

The reexamination of family circumstances is coordinated with the contract anniversary date and an inspection (as identified in Section V, Part A) of the premises for continued compliance with Housing Quality Standards (HQS). Reexaminations are started 90 days prior to the anniversary date to assure sufficient time to conclude this process.

Participants will be allowed two attempts to complete their re-certification. Recertification packets are mailed to each participant family via USPS. Should the participant fail to respond to the first notice, a second and final notice will be mailed and the tenant will be notified that failure to comply may result in termination of assistance for failure to comply with the obligations of their voucher. A thirty (30) day notice of termination of assistance will be sent by Certified Mail if they fail to comply with the second attempt.

B. INTERIM ADJUSTMENTS OF RENT

Interim adjustments will be conducted, in case where the tenant's rent will decrease due to the adjustment. An interim will also be conducted in cases where the household income increases from a reported amount equaling zero. Families may request that an interim be performed when a change in earned income or family composition has occurred that would result in an increase to the tenant rent portion. Please note that changes reported after the 15th day of any month will be processed by the 1st day of the second month thereafter, retroactive to the 1st of the preceding month. Such changes in Family circumstances would include:

- Receipt or discontinuance of Public Assistance.
- Changes in family composition.
- Employment or loss of employment.

- **Receipt of a deferred payment in a lump sum that represents the delayed start of a periodic payment such as Unemployment Compensation and other compensation.**
- **Changes with the family that will require deductions and allowances to be recalculated.**

C. TIMELY REPORTING STANDARDS AND VERIFICATION OF INFORMATION

Participants must report changes within ten (10) business days of the occurrence in order for the report to be "in a timely manner", and must be made in writing. Where feasible, third-party written verification or direct document review shall be the preferred method of verifying Participant information, including Income, value of Assets, Medical Expenses, Child Care Expenses, Family composition, age, Disability, Handicap, Student Status, and displacement status. Third-party oral verification may be used if the client file is documented according to identification of all parties, the date, and the content of the information. All information must be verified as a condition of continued assistance and the Head of Household and all other adult members of the assisted family must sign HUD-approved release forms and consent authorizing private and public agencies to furnish and release required information to the Commission. Notarized statements or signed affidavits may be accepted when all other sources have been exhausted. They should not be accepted in lieu of other possible methods.

Decrease in tenant rent will be effective the first of the month following the reported decrease.

Increases in tenant rent will be effective on the anniversary date of the contract following the change in family circumstances; the participant may request their rent increase be effective immediately with 30 calendar day's written notice of the increase in rent

If the Housing Commission of Anne Arundel County determines that the tenant has misrepresented the facts, which would result in an increase in tenant rent, at the time of re-certification it shall be computed retroactively to the anniversary date. Depending on the circumstances, the tenant may, at the discretion of the Commission, be allowed to enter into a repayment agreement to repay the program for any over assistance.

The Housing Commission may not require clients to obtain a court order awarding legal custody of a child or children residing in one of its program units. In cases where one or more individuals (who have not obtained the age of 18 years) is domiciled with a HCAAC leaseholder who is not a parent or legal custodian, the resident will be required to provide the Housing Commission with the written permission of the child's parent or other person having legal custody of the child. The written permission must state when the permission becomes effective and any end date if one is anticipated; and must be notarized by a licensed Notary in order to assure the signature is valid.

D. CONTRACT RENT INCREASES BY OWNER

Rent increases are determined in accordance with annual adjustment factors and other provisions of the Regulations as following:

The amount of the monthly rent payable by the Family to the Owner is determined by the provisions of the Lease between the Owner and the Family. The amount of the monthly rent under the Lease may not be increased during the first year of the term of such Lease. The Lease may provide for increase in such monthly rent after the first year of the term, if the Owner gives at least sixty days written notice to the Family and the family agrees to the increase in rent. The family portion of the rent must remain affordable and feasible.

Owners may not request rent increases prior to the expiration of the first term of lease. As of the first anniversary date of the lease, rent increases may be effective with a 60 days' notice to the family and a copy to HCAAC.

Landlords must submit a written request for rent increase to HCAAC, which may or may not be granted.

E. UTILITIES

Utilities include water, electricity, gas, heating, refrigeration, and cooking fuels, trash collection and sewage services.

Allowances for tenant furnished utilities are reviewed in connection with annual reexaminations. When revisions are made, they are implemented at the time of annual rent adjustments and TTP determinations. Should the utility allowance be deducted from the family's TTP and subsequently create a Utility Assistance Payment (UAP). The Housing Commission will send any UAP amount directly to the family's gas and electric utility supplier's account for all Housing Assistance programs.

HCAAC will use the appropriate utility allowance for the lesser of the size of dwelling unit actually leased by the family or the voucher size issued to the family, as determined under the PHA subsidy standards.

In cases where a reasonable accommodation has been provided to a family that includes a person with disabilities, HCAAC will use the appropriate utility allowance for the size of the dwelling unit actually leased by the family.

F. MINIMUM RENT

In accordance with Section 402(a)(1) and (2) of the Continuing Resolution, assisted families may pay a minimum rent as set by the Housing Commission by internal

procedure. The minimum rent may not exceed \$50.00 per month. The minimum rent is currently \$0, however may be changed by procedure to accommodate market conditions.

- G. The Housing Commission will send all correspondence to participants by mail via USPS unless otherwise requested via email or fax.

VII. TERMINATIONS AND SECURITY DEPOSITS

HCAAC may deny or terminate assistance if an applicant or participant:

- Violated any of the "Family Obligations" under the Voucher Program.
- Serious violation of the Lease. Provisions under the Violence Against Women Act will be utilized should the family seek protection under the law and rule.
- Committed any fraud or misrepresentation in connection with any Federal Housing Assistance Program.
- Defaulted on a repayment agreement.
- If the participant's TTP is sufficient to pay full gross rent and six (6) months of zero assistance has elapsed since the last HAP was made.

A. INFORMAL HEARINGS

The PHA is required to provide Informal Hearings in accordance with federal regulations. The Informal Review and Hearing Policy are incorporated in this Administrative Plan under separate addendum on Page 72.

B. OWNER ACTIONS, FRAUD, MISREPRESENTATION, OR BREACH OF CONTRACT

If the landlord has committed fraud, misrepresentation or other breach of the Housing Assistance Payments Contract or Voucher Contract in connection with the Housing Choice Voucher Program, HCAAC will terminate the Contract and review the circumstances and family's involvement to determine if the family is eligible for re-certification to relocate to another unit with continuation of assistance. Actions such as those listed above, failure to abide by program and lease requirements, disrespectful treatment and/or harassment towards staff may be grounds for denial of program participation.

C. FAMILY MOVES

Participants who are in compliance with all regulations and who wish to move to another unit must put their request in writing prior to issuance of a new Voucher.

This notice must be forwarded to the Landlord and the Commission. Current program participants may only transfer to a new unit at the time of Annual Recertification except at the request of a Reasonable Accommodation when the owner has initiated the action or if the Housing Commission terminates the Housing Assistance Payments Contract.

If the family moves to another area, the notice must specify where the family wants to move.

Participants, who rescind their action to move with the Landlord's Agreement, may continue leasing where they are currently living, and the Housing Assistance Payment will continue to be paid to the landlord.

Participants who execute the move-out are advised that issuance of a new Voucher for move-out does not preclude them from being responsible for unpaid rent and for damages. Should information be received during the issuance period due to the landlord filing in court for damages or any unpaid rent/fees and being granted judgment in their favor, the family is then not compliant with their obligations and any Request for Tenancy Approval may be delayed until a continued eligibility determination and related hearing are completed. Grounds for denial or termination of assistance are in accordance with 24 CFR 982.552 or 982.553.

Both assisted households and the Landlord must be notified when the family must move due to a change in the family's composition that changes the subsidy for which they qualify.

D. FAMILY BREAK-UP

Upon break-up of the family, HCAAC will determine which family member (s) will retain the Housing Choice Voucher assistance. The factors which will be considered in making this decision are:

- The household member(s) remaining in the assisted unit.**
- The interest of minor children or of ill, elderly or disabled family members.**
- Whether family members were forced to leave the unit as a result of actual or threatened physical violence against those family members.**
- Court determination of which family member(s) will retain housing assistance in cases of divorce or separation.**

E. EVICTIONS

The owner may evict in accordance with Federal Regulations or may institute court action, using the grounds for eviction available through Maryland State Law, or the owner may obtain a signed mutual termination agreement. The housing assistance payment is terminated when the lease is terminated by the owner.

Notice of the eviction must be given to the Commission either by the family or the owner.

F. ABSENCES FROM UNIT

Participants may be absent from the unit for a consecutive period of time not to exceed one hundred eighty (180) days, without having their Housing assistance interrupted or terminated in accordance with 24 CFR Section 982.312

G. SECURITY DEPOSITS

All owners entering into a HAP contract on or after October 2, 1995 may collect a Security Deposit in accordance with CFR Section 982.313 (a). It must be placed in an account that complies with Maryland State Law. The Housing Commission will not impose any limit on the owner Security Deposit providing that the deposit amount does not exceed the private market practices or security deposits collected for the owner's unassisted units.

If a family vacates its unit, the owner, subject to State and local law, may use the Security Deposit as reimbursement for any unpaid family contribution or other amounts owed under the lease.

VIII. REPAYMENT AGREEMENTS

A. USE OF REPAYMENT AGREEMENTS

When a participant owes money to HCAAC, assistance must not be terminated simply because the family has an outstanding debt. When an applicant owes money to HCAAC (or another PHA) placement on the waiting list must not be denied solely because of a previous debt. A Promissory Note in the form of a Repayment Agreement may be executed by the participant or applicant with the HCAAC to permit payback of a debt over a period of time.

Repayment Agreements may be executed for, but are not limited to, the following circumstances:

- failure to report changes in income or family size that results in overpayment of assistance.**

Participants owing money must be notified of their liability and informed that they are not required to enter into a Repayment Agreement as a condition of continued assistance. However, in the absence of a Repayment Agreement or default of a Repayment Agreement, the HCAAC may deny issuance of a new Voucher when the participant wants to move.

There is no dollar limit on the amount of the Repayment Agreement. Payment amounts should however, be affordable for the participant or applicant and for a

specified term not to exceed 12 months unless extended by the Department Supervisor.

If an applicant or participant has signed a Repayment Agreement with HCAAC (or any other PHA) and they breach the agreement, HCAAC may deny or terminate assistance.

IX. FINANCIAL MANAGEMENT/REPORTING REQUIREMENTS

A. THE HOUSING ASSISTANCE PAYMENT (HAP) REGISTER

HCAAC will keep a HAP register for each tenant by each project with the required information as attached.

The HAP Register will be kept up-to-date with all initial payments and subsequent changes entered.

B. MONITORING PROGRAM PERFORMANCE

To ensure quality control the HCAAC Department Supervisor conducts monthly monitoring review of all Housing Choice Voucher Programs, activities, which may include the following:

- 1. Review of Waiting List**
- 2. Audit of Files**
- 3. File Count**
- 4. Bi-Weekly Review of HAP Register**
- 5. Review of Financial Records**
- 6. Review of Monthly Utilization Reports**
- 7. Sample Review of Housing Quality Standards**

HCAAC will closely monitor the Operating Reserve to ascertain that ongoing administrative fees are sufficient to cover ongoing administrative expenses. Proposed expenditures not in accordance with the approved budget require prior approval for a budget amendment by the HCAAC's Executive Director/Chief Executive Officer and Board of Commissioners.

C. HUD REGULATORY AMENDMENTS

Revisions to existing program regulations will be automatically incorporated in this plan subsequent to its effective date. Special rules for use of available funds will be followed when HUD provides funding for a special purpose.

D. PAYMENT STANDARD

The PHA determines the amount of subsidy a family will receive but does not limit the rent charged by the owner.

The maximum subsidy calculation is done at the time a family is issued a Housing Voucher.

Establishing the maximum subsidy enables the family to “shop” for housing.

The actual PHA subsidy can be calculated only after the family has selected a specific unit and the gross rent for the unit is known.

The standards will be reviewed annually.

Adjustments to the payment standards will be made when required due to economic reasons and/or due to an adjustment in the areas Fair Market Rents. In an effort to allow flexibility, the payment standards will be set in accordance with federal regulations between 90% and 110% of the current Fair Market Rent. The factors in determining the standards will largely be affected by market conditions and trends. The Housing Commission reserves the right to establish standards by Census Tract, if applicable and warranted, to encourage de-concentration and enhanced choice.

The payment standard used for a family at regular reexamination will not be less than the applicable standard previously used unless the family's size or composition increases or decreases in accordance with HCAAC occupancy standards.

HCAAC may approve a payment standard of not more than 120 percent of the FMR without HUD approval if requested as a reasonable accommodation by a family that includes a person with a disability.

HCAAC must maintain documentation that shows:

- **A rent reasonableness analysis was conducted in accordance with the HCV program regulations at 24 CFR 982.507;**
- **The family requested lease approval for the unit and requested an exception payment standard as a reasonable accommodation; and**
- **The unit has features that meet the needs of a family member with disabilities. For example, a unit may be suitable because of its physical features or for other reasons, such as having the requisite number of bedrooms, location on an accessible transit route, or proximity to accessible employment, education, services, or recreation.**

X. FAMILY SELF-SUFFICIENCY PROGRAM (FSS)

The FSS Revised Action Plan is now an appendix to the Housing Choice Voucher Administrative Plan and has been incorporated with the HCAAC policies and procedures effective April 16, 2007. The original Plan was submitted on August 3, 1994. The Administrative Plan will be amended to address any revisions to the FSS Comprehensive Strategy as needed.

APPLICANT (Applicant Family) - A family that has applied for admission to a program, but is not yet a participant in the program.

BUDGET AUTHORITY - An amount authorized and appropriated by the Congress for payment to HA's under the program. For each funding increment in an HA program, budget Authority is the maximum amount that may be paid by HUD to the HA over the ACC term of the funding increment.

CO-HABITANTS - Two (2) or more persons of the opposite sex who, at the time of application, have been living together as a family in a stable relationship.

CONSOLIDATED ANNUAL CONTRIBUTIONS CONTRACT (Consolidated ACC)

(a) NATURE OF ACC

- (1) **An annual contributions contract (ACC) is a written contract between HUD and an HA. Under the ACC, HUD agrees to make payments to the HA, over a specified term, for housing assistance payments to owners and for the HA administrative fee. The ACC specifies the maximum annual payment by HUD, and the maximum payment over the ACC term. The HA agrees to administer the program in accordance with HUD regulations and requirements.**
- (2) **HUD's commitment to make payments for each funding increment in the HA program constitutes a separate ACC. However, commitments for all the funding increments in an HA program are listed in one consolidated contractual document called the consolidated annual contributions contract (consolidated ACC). A single consolidated ACC covers funding for the HA voucher program.**

(b) BUDGET AUTHORITY AND CONTRACT AUTHORITY

- (1) **Budget authority is the maximum amount that may be paid by HUD to an HA over the ACC term of a funding increment. Contract authority is the maximum annual payment for the funding increment. Budget authority for a funding increment is equal to contract authority times the number of years in the increment term. Before adding a funding increment to the consolidated ACC for an HA program, HUD reserves budget authority from amounts authorized and appropriated by the Congress for the program.**
- (2) **For each funding increment, the ACC specifies the initial term over which HUD will make payments for the HA program, and the contract authority and budget authority for the funding increment. For a given HA fiscal year, the amount of HUD's maximum annual payment for the HA program equals the sum of the contract Authority for all of the funding increments under the consolidated ACC. However, this maximum amount does not include contract authority for an expired funding increment. If the term of a funding increment expires during the HA fiscal year, this maximum amount only includes the pro-rata portion of contract authority for the portion of the HA fiscal year prior to expiration. (Additional payments may be made from the ACC reserve account described in 982.154.) However, the amount to be paid must be approved by HUD, and may be less than the maximum payment.**

CONTIGUOUS MSA - In portability, an MSA that shares a common boundary with the MSA in which the jurisdiction of the initial HA is located.

CONTINUOUSLY ASSISTED - An applicant is continuously assisted under the 1937 Housing Act if the family is already receiving assistance under any 1937 Housing Act Program when the family is admitted to the voucher program.

CONTRACT AUTHORITY - The maximum annual payment by HUD to an HA for a funding increment.

DISABLED PERSON - A person who is under a disability as defined in section 223 of the Social Security Act (42 U.S.C. 423), or who has a developmental disability as defined in section 102(7) of the Developmental Disabilities Assistance and Bill of Rights Act (42 U.S.C. 6001(7)).

DISPLACED PERSON - A person or family displaced by government action, or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws, defined as follows:

- (a) **A definite and final order requiring demolition, closing or improvement and allowing no alternative must have been issued by the appropriate authority.**
- (b) **The person or family must live in the dwelling at the time of the order is entered or at the time of damage or disaster. In the event a unit becomes occupied subsequent to its having been vacated by a person or by a family entitled to preference, such new occupant shall not also be entitled to preference, even though it may become necessary to serve him with an official notice to vacate.**

DOMICILE - The legal residence of the household head or spouse as determined in accordance with State and local law.

DRUG-RELATED CRIMINAL ACTIVITY - Term means:

- (1) Drug-trafficking; or
- (2) Illegal use, or possession for personal use, of a controlled substance (as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802)).

DRUG-TRAFFICKING - The illegal manufacture, sale or distribution, or the possession with intent to manufacture, sell or distribute, of a controlled substance (as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802)).

ELDERLY FAMILY - A Family whose Head of Household or Spouse or whose sole member is:

- (1) At least 62 years old,
- (2) A Disabled Person, or
- (3) A Handicapped Person as defined in this section, and may include two or more elderly (at least 62 years old), Disabled or Handicapped Person living together, or one or more such persons living with another person who is determined to be essential to his or her care and well being.

ELDERLY PERSON - A person who is at least 62 years of age.

ELIGIBILITY

(a) **WHEN APPLICANT IS ELIGIBLE: GENERAL** - The HA may only admit an eligible family to a program. To be eligible, the applicant must be a family, must be income-eligible, and must be a citizen or a non-citizen who has eligible immigration status as determined in accordance with 24 CFR part 5.

(b) **INCOME**

(1) To be income eligible, the family must be either:

(i) A very low-income family; or

(ii) A low-income family in any of the following categories:

- (A) A low-income family that is continuously assisted under the 1937 Housing Act.
- (B) A low-income family physically displaced by rental rehabilitation activity under 24 CFR part 511.
- (C) A low-income non-purchasing family residing in a HOPE 1 (HOPE for Public and Indian Housing Homeownership) or HOPE 2 (HOPE for Homeownership of Multifamily Units) project.
- (D) A low-income non-purchasing family residing in a project subject to a homeownership program under 24 CFR 248.173.

- (F) For the voucher program only, a low-income family residing in a HUD-owned multifamily rental housing

project when HUD sells, forecloses or demolishes the project.

- (2) The HA determines whether the family is income-eligible by comparing the family's annual income (gross income) with the HUD-established very low-income limit or low-income limit for the area. The applicable income limit for issuance of a voucher when a family is selected for the program is the highest income limit (for the family unit size) for areas in the HA jurisdiction. The applicable income limit for admission to the program is the income limit for the area where the family is initially assisted in the program. The family may only use the voucher to rent a unit in an area where the family is income eligible at admission to the program.

(c) FAMILY COMPOSITION

- (1) A family may be a single person or a group of persons.
- (2) A family includes a family with a child or children.
- (3) A group of persons consisting of two or more elderly persons or disabled persons living together, or one or more elderly or disabled persons living with one or more live-in aides is a family. The HA determines if any other group of persons qualifies as a family.
- (4) A single person family may be:
 - (i) An elderly person.
 - (ii) A displaced person.
 - (iii) A disabled person.
 - (iv) Any other single person.
- (5) A child who is temporarily away from the home because of placement in foster care is considered a member of the family.

(d) CONTINUOUSLY ASSISTED

- (1) An applicant is continuously assisted under the 1937 Housing Act if this family is already receiving assistance under any 1937 Housing Act if the family is already receiving assistance under any 1937 Housing Act program when the family is admitted to the certificate or voucher program.
- (2) The HA must establish policies concerning whether and to what extent a brief interruption between assistance under one of these programs and admission to the certificate or voucher program will be considered to break continuity of assistance under the 1937 Housing Act.

EXCEPTION RENT - In the certificate program, an initial rent (contract rent plus any utility allowance) in excess of the published FMR. In the certificate program, the exception rent is approved by HUD, and is used in determining the initial contract rent. In the voucher program, the HA may adopt a payment standard up to the exception rent limit approved by HUD for the HA certificate program.

FSS ACTION PLAN
REVISED APRIL 16, 2007
JULY 1, 2014

INTRODUCTION

In accordance with Section 23 of the U.S. Housing Act of 1937 and amended by Section 106 of the Housing and Community Development Act of 1992, the Housing Commission of Anne Arundel County (HCAAC) established a Family Self-Sufficiency Program as a result of increased Housing Choice Voucher funding in fiscal year 1994.

The goal of the FSS Program is to assist very low-income families in becoming economically and socially self-sufficient. The US Department of Housing and Urban Development will determine the minimum FSS Program size.

A service plan and FSS contract will be developed and maintained for each qualified participating family member. The program will be available to families in both the Housing Choice Voucher and Public Housing Programs.

This revised and updated FSS Action Plan is hereby made a part of the HCAAC Administrative Plan. The Action Plan describes how HCAAC will administer the FSS Program.

NUMBER OF FSS PROGRAM PARTICIPANTS

The program will consist of the minimum number of HCV families as required by HUD, but will also be open to public housing families wishing to expand economic opportunities. HUD honored the HCAAC waiver request to reduce the required program size to 75 in 2003. Ongoing mandatory program size shall be reduced by one slot for each program graduate completed after October 21, 1998. (24 CFR 984.105(b)(3).

All of the required FSS slots will be filled with current HCV participants who have volunteered for the program. Up to 25 additional slots will be offered to residents of public housing (PH).

SUPPORTIVE SERVICES NEEDS OF FAMILY

It is anticipated that in order to reach the goals of the FSS program, participants will continue to need the following supportive services:

- Childcare
- Remedial education
- Vocational assessment
- Career Development
- Household management skills
- Financial/money management
- Family counseling
- Case management
- Job training/placement
- Job search assistance
- Resume/job interview skills
- Job retention training
- Secondary education
- Parenting skills
- Homeownership counseling
- Transportation
- Rehabilitation/substance abuse counseling

STIMATE OF PARTICIPATING FAMILIES

Families are recruited to fill all FSS Federally mandated slots. It is anticipated that 100% of the FSS participants will be recipients of various types of supportive services. The type of supportive services received will depend on the family's individual goals and objectives listed in their service plan. The quantity and quality of supportive services received will depend on the resources available in the community and the availability of federal, state, county and private funding.

FSS FAMILY SELECTION PROCEDURES OUTREACH AND RECRUITMENT

Current HCV and PH participants will be informed of the FSS program during briefings, by mail, brochures/ announcements provided in the office lobby, and referral by HCAAC employees. Families will be notified that the FSS program is a volunteer program and that their housing assistance will not be withheld for non-participation or non-completion of program requirements.

Families will be asked to submit an FSS Application. Both minority and non-minority groups currently receiving housing assistance will be targeted for participation in the FSS program.

Families who meet FSS program eligibility requirements will be selected to participate in the FSS program. Families will be selected without regard to race, color, religion, sex, handicap, familial status, or national origin.

When all FSS slots are filled, the remaining eligible FSS applicants and subsequent new applicants will be placed on an FSS waiting list. Families will be placed on the FSS waiting list according to the date and time in which their FSS interest form was received. Port-in FSS participants will be given preference.

FSS program eligibility requirements include, but are not limited to, the following:

1. Family must be currently participating in HCV or public housing
2. Family must attend a mandatory FSS orientation/briefing session
3. Family must have an overall goal to obtain self-sufficiency and be off public assistance as required by the FSS contract.
4. Head of household must be willing to improve their education, seek and/or maintain employment, or work towards homeownership during the FSS contract period.
5. Families must be willing to sign a FSS Service Contract and receive case management as part of their supportive services.

FSS PARTICIPANT INCENTIVE PLAN

As required by HUD, HCAAC will provide incentives for families who participate in the FSS program. The two main incentives that will be provided are the FSS escrow account, and for those who qualify, home ownership opportunities.

FSS ESCROW ACCOUNT

Each FSS participant will have their own Escrow Account established in accordance with HUD Regulations. A database will be maintained to record escrow deposits for each family. FSS escrow funds held by HCAAC will be invested in HUD-approved investments in accordance with HUD Handbook 7475.1, revised Section 4-8. Investment income (interest) will be credited at least annually to each participating family's FSS escrow account. A statement of escrow balance, credits, interest, and payments will be mailed to each family quarterly. Forfeited FSS escrow funds will revert to HCAAC and will be used in accordance with regulations.

The Department Director and Finance Director must also approve disbursement. Escrow funds will be disbursed when the following occurs:

1. The FSS family completes the requirements of the contract of participation on or before the expiration of the contract, or
2. When an HCV family experiences 180 days with a zero HAP payment.

The accrued escrow funds, minus any debts owed to HCAAC, will be disbursed to the designated head of household. HCAAC may consider requests for an interim disbursement of a portion of the FSS escrow, and:

1. The request must be submitted in writing and meet requirements for interim disbursement as stated in the FSS contract. The family will show that the purpose is goal-related and the family has attempted other resources.
2. The FSS Coordinator will make a determination on a case-by-case basis for the early escrow release and the interim goals that must be completed prior to an early escrow disbursement. The Department Director and Finance Director must also approve disbursement.
3. One or more interim withdrawals from escrow may be allowed.
4. Amount of interim withdrawal from escrow may not exceed 50% of participant's current escrow balance.
5. Any interim disbursement will be deducted from the escrow balance.
6. Must be at least 6 months between escrow withdrawals.
7. No more than one interim withdrawal may be allowed if participant has not earned escrow funds since last interim withdrawal.

FORFEITURE OF FSS ESCROW

The FSS families will automatically forfeit their FSS escrow when any of the following conditions apply:

1. The family fails to complete the goals listed on their contract of participation.
2. The family voluntarily withdraws from the program.
3. The family moves to another Housing Authority's jurisdiction, which does not have an FSS program or is not accepted into the receiving FSS program.
4. The family moves to another Housing Authority's jurisdiction but voucher is not absorbed
5. The family is removed from the HCV or PH program for non-compliance of lease agreement and/or HCV or PH policy and rules.
6. The family continues to receive public assistance (welfare) at the end of the FSS contract term. (This does not include Medicaid, childcare assistance, food stamps or housing subsidies.)

If a family is terminated or the contract expires with goals unfulfilled, the family must wait at least 12 months before participating in the program again.

HOMEOWNERSHIP

The FSS program coordinates homeownership workshops and seeks additional homeownership assistance opportunities. Attention is focused on long-term and short-term homeownership preparation and readiness. HCAAC offers a HCV Homeownership program, which requires participation in the FSS program with homeownership goals.

FSS participants may apply to use HCAAC's HCV homeownership option (for which FSS participants are given selection preference) and must be placed upon the HCV Homeownership waitlist.

FSS ACTIVITIES AND SUPPORTIVE SERVICES

The activities and supportive services which will be provided by both private and public resources to FSS families include, but are not limited to, the following: child care, remedial/secondary education, career development, job development and placement, parenting skills, household management skills, homeownership counseling, money management, transportation, family counseling, and case management.

HCAAC has formed partnerships with community social service agencies, many of which are invited to participate on the FSS Program Coordinating Committee. FSS participants will be referred to the agencies listed below for activities and supportive services. Additional services not listed, will be developed for families as stipulated in the Individual Training and Service Plan.

METHOD FOR IDENTIFICATION OF FAMILY SUPPORT NEEDS

The FSS Coordinator will assess the individual family needs via an interview of all families participating in the FSS program. From the information gathered from the family, the case manager will develop a service plan for all family participants. The service plan will contain the family's goals, objectives, tasks, and resources that enable them to accomplish their goal of becoming economically self-sufficient. The case manager and the family will together determine the supportive services that the family will need to accomplish their goals. The FSS participant has the ultimate responsibility of pursuing all community resources available.

PORTABILITY

If the family requests portability to another jurisdiction's FSS program, it will be approved if:

1. The receiving agency absorbs the voucher.
2. The family signs an FSS Contract of Participation with the receiving agency's FSS program within 30 days after they lease in the receiving jurisdiction (or within receiving agency's deadline if less than 30 days).
3. The receiving jurisdiction requests transfer of escrow account, if any.

The family's FSS Contract of Participation will be terminated if the receiving agency does not allow the family to participate in its FSS program. The family will forfeit escrow.

The family's FSS Contract of Participation will be terminated if the receiving agency does not absorb the family's voucher. The family will forfeit escrow.

If the family wishes to go portable to another jurisdiction, but does not plan to continue in the FSS Program at the receiving agency, the family's FSS Contract of Participation will be terminated and the family will forfeit any funds in the escrow account.

FSS PROGRAM TERMINATION

The FSS family will be terminated from the FSS Program if the family does not fulfill the requirements of the Contract of Participation and/or violates the HCV or PH regulations. FSS families will be thoroughly briefed prior to signing the Contract of Participation, of the conditions under which the family will be terminated from the FSS Program.

The family will not be allowed to participate in the FSS Program once terminated by HCAAC. However, the family's housing assistance will not terminate for non-compliance with the requirements of the FSS Contract of Participation. Failure of the family to comply with the FSS Contract of Participation or housing program regulations will lead to forfeiture of any FSS escrow money earned.

GRIEVANCE AND REVIEW PROCEDURES

For action of FSS denial or termination not involving termination of housing assistance, HCAAC will give FSS applicants and participants an opportunity for an informal review by the Department Director.

ASSURANCE OF NON-INTERFERENCE

HCAAC assures the participant during the briefing session that a family's election not to participate in the FSS Program will not affect the family's admission to either program or the family's right to occupy in accordance with its lease.

All FSS families volunteer to participate in the program. Families must be current HCV or PH recipients and submit an FSS Application to HCAAC to be selected for the program. HCAAC will select participants who voluntarily commit to the program.

TIMETABLE FOR PROGRAM IMPLEMENTATION

The HCAAC implemented the FSS Program in 1994, and used the previous Action Plan for implementation and start-up of the program. Since that time, the program has been successful and has seen a number of graduates into gainful employment and homeownership. This revised plan is now necessary to maintain and streamline the program and will become effective upon approval of the Agency Plan in 2007. Additional edits to the plan are expected to be implemented as revisions to the Agency Plan in 2014.

CERTIFICATION OF COORDINATION

The HCAAC certifies that the services and activities have been coordinated with the approval of HUD. HCAAC is committed to providing quality supportive services to FSS participants.

**Addendum to the
Housing Choice Voucher Administrative Plan**

PROJECT-BASED VOUCHER (PBV) PROGRAM

On October 13, 2005, HUD published final regulations for the Project-Based Voucher (PBV) program, superseding regulations at 24 CFR part 983 (see 70 FR 59892). This Addendum provides Housing Commission of Anne Arundel County (HCAAC) policies and procedures for its PBV program in accord with the new regulations.

HCAAC's PBV program is subject to the regulations at 24 CFR part 983, which includes regulations governing policies and procedures that are not specified in this Administrative Plan.

In addition to the policies and procedures stated below, and other PBV regulations stated at 24 CFR part 983, HCAAC's PBV program is subject to most of the requirements of the Housing Choice Voucher Program, as specified in this Administrative Plan and in other HUD regulations.

A. JURISDICTION

The jurisdiction for HCAAC's PBV program is within the confines of Anne Arundel County, to include the City of Annapolis.

B. HCAAC's PBV COMMITMENTS AND PRIORITIES

HCAAC's PBV program is designed to ensure that PBV assistance is used to support goals that could not be equally achieved through the use of tenant-based voucher assistance. HCAAC's PBV program has is committed to the following priorities:

1. Expand and/or preserve the supply of affordable housing in an effort increase the affordable housing choices of residents within the jurisdiction
2. Support projects which further revitalize neighborhoods, promote the de-concentration of poverty and generally provide increased housing and economic opportunities.
3. Work with the community to identify and serve populations with particular housing needs, including but not limited to the provision of supportive services to promote self-sufficiency and supportive housing for families with disabilities.

C. PROPOSAL SUBMISSION AND SELECTION

Request for Proposals Process

HCAAC will select PBV proposals through a public Request for Proposals (RFP) process. HCAAC's PBV RFP will be advertised in a manner to provide broad public notice of the opportunity to offer PBV proposals for consideration by HCAAC. The public notice procedures will include publication of the general notice in a local newspaper of general circulation and other means designed and actually operated to provide broad public notice.

The public notice of the PBV RFP will specify the submission deadline. The public notice will inform owners or developers seeking project-based assistance of the availability of the full RFP document at HCAAC's main offices at 7477 Baltimore-Annapolis Blvd, Glen Burnie, MD 21060.

The full RFP document will provide detailed information about proposal submission and selection procedures and will be available upon request of interested parties at HCAAC's main offices.

Property owners may submit PBV proposals in accord with the proposal submission guidelines stated in the full RFP document. Proposals will be selected according to explicit criteria specified in the full RFP document, following the selection criteria stated below. Under no circumstances will HCAAC's RFP selection criteria limit proposals to a single site or impose restrictions that explicitly or practically preclude owner submission of proposals for PBV housing on different sites.

Alternative Competitive Processes

In lieu of the above RFP process, HUD regulations permit HCAAC to select a PBV proposal for housing assisted under a federal, state, or local government housing assistance, community development, or supportive services program that requires competitive selection of proposals, where the proposal has been selected in accordance with such program's competitive selection requirements within three years of the PBV proposal selection date, and the earlier competitive selection proposal did not involve any consideration that the project would receive PBV assistance, or in other circumstances as allowed by the regulations or other PBV requirements.

Proposals for PBV assistance which have been independently selected for housing assistance as described above may be submitted to HCAAC on a rolling basis. HCAAC's selection of proposals under the alternative competitive processes may be contingent upon the owner providing additional information required according to HCAAC's selection requirements and HUD and HCAAC requirements for PBV assistance. HCAAC will inform owners of any additional requirements at the time their proposals are submitted.

Selection Criteria

Proposals will be selected according to the following selection criteria:

- The housing must promote one of HCAAC's priorities for its PBV program;
- The proposal must comply with all HUD program regulations and requirements;
- The property must be eligible housing;
- The proposal must comply with the HUD cap on PBV units per building;
- The housing site must meet the site selection standards detailed at 24 CFR 983.57;

Proposals that have **not been** through a State competition will be subject to the following:

- Proposals for new construction or rehabilitation projects must demonstrate capacity, experience, and successful outcomes in prior projects that indicate their ability to complete the construction work effectively and within the proposed schedule;

- Proposals for all housing must demonstrate capacity, experience, and successful outcomes in property management, particularly management of housing targeted to low income persons and families;
- Proposals for supportive housing must demonstrate the capacity, experience, and successful outcomes of the supportive services provider that indicate its ability to effectively provide sufficient supportive services. More detailed information about minimum supportive services guidelines is provided later in this addendum.
- Proposals must provide evidence of sufficient financing commitments (for construction, operations, and supportive services if applicable) to demonstrate the project’s long-term viability.

Public Notice and Review of HCAAC Proposal Selection

At the conclusion of selection during the competitive process, HCAAC will provide public notice of PBV proposal selections, including publication of public notice in a local newspaper of general circulation and/or other means designed and actually operated to provide broad public notice.

HCAAC will make documentation available for public inspection regarding the basis for HCAAC’s selection of a PBV proposal.

Proposals selected via the alternate competitive process will be identified and included in the annual agency plan update, which includes publication (via public notice) of the process, documents and plans, and allows for public comment on the proposed selection.

D. SITE SELECTION STANDARDS

HCAAC will only select proposals which demonstrate consideration of and compliance with the site selection standards at 24 CFR 983.57, as such may be amended or revised, which shall ensure that selected proposals will meet the above program goals of de-concentrating poverty, expanding housing and economic opportunities, and otherwise providing needed housing support.

E. SUPPORTIVE SERVICES GUIDELINES AND REQUIREMENTS

Pursuant to HUD regulations, project-based assistance will ordinarily be limited to 25% of the units contained within the proposed project. However, for projects providing supportive services, each unit that is occupied by families receiving qualified supportive services shall be an “excepted unit” and shall not apply towards the 25% cap.

Qualifying Supportive Services

- Participation in HCAAC’s FSS program
- Educational Services or Counseling

- Employment or vocational training, counseling or referrals
- Life skills training or counseling
- Credit counseling
- Personal finance training and counseling
- Healthcare prevention and/or Community Outreach
- Supportive housing for persons with developmental disabilities or mental illness
- Supportive housing for persons with legal custody of grandchildren
- Referrals to or provision of day care, after school programs or other youth services.

It is not necessary that the above services be provided by or at the project. However, to qualify for as an “excepted unit” a family must have at least one member receiving at least one qualifying supportive service. Proposals that include supportive services should identify the particular services that will be provided and the service provider(s). HCAAC will evaluate proposals including supportive housing units on the basis of the specific services provided, the intensity of the services and the target population to be served. HCAAC will also evaluate supportive housing proposals based on the history and track record of the proposed service providers and the need for the supportive housing at the proposed site.

Family Responsibility

At the time of the initial lease execution between the family and the owner, the family and HCAAC must sign a Statement of Family Responsibility. The Statement of Family Responsibility must contain all family obligations including the family’s participation in a service program as contemplated within this Administrative Plan.

At the family’s annual income recertification, HCAAC will require written documentation from the service provider indicating the family’s continued compliance with the terms of the supportive services plans. Project owners will also be expected to provide some level of monitoring of the services provided. This monitoring should be detailed in the proposal, and will be evaluated as part of the section process. At HCAAC’s discretion, HCAAC may request additional documentation of compliance with supportive service obligations.

The unit eligible for status as an “excepted unit” so long as at the time of the occupying family’s initial tenancy at least one member of the family is receiving a qualifying supportive service. If the family completes an FSS contract of participation or the supportive services requirement, the unit will continue to count as an “excepted unit” for as long as the family resides in that unit.

Family Failure to Comply with Supportive Service Requirements

Failure without good cause by a family to complete or comply with its supportive service participation requirements will result in termination of the project based assistance for that unit and may result in the termination of the lease by the project owner.

F. WAITING LISTS

HCAAC will establish individual site-based waiting lists for each PBV project selected.

HCAAC will offer to place applicants who are listed on the waiting list for tenant-based assistance on the waiting list(s) for PBV assistance.

HCAAC will open and close the site-based waiting lists pursuant to the procedures outlined in Administrative Plan.

G. PREFERENCES

HCAAC may establish separate preferences for each PBV project. These preferences may include those for elderly or disabled families, or preferences related to supportive housing programs. Preferences may include those outlined in the Administrative Plan.

Any preferences that would be necessary to the operation of the project, or required by a funding source must be disclosed in the proposal.

Supportive Housing Related Preferences

If PBV units include special accessibility features for persons with disabilities, HCAAC will first refer families who require such accessibility features to the owner. For other units that are designated to receive supportive services, HCAAC may give preference to disabled families who need services offered at a particular project. Project owners may advertise the project as offering services for a particular type of disability, however, the project must be open to all otherwise eligible persons with disabilities who may benefit from services provided in the project.

Only families that meet the following limits will be eligible for any supportive housing preference:

- Families (including individuals) with disabilities that significantly interfere with their ability to obtain and maintain themselves in housing
- Families that without appropriate supportive services will not be able to obtain or maintain themselves in housing
- Families for whom such services cannot be provided in a non-segregated setting.

Disabled residents will not be required to accept the particular services offered at the project.

HCAAC is prohibited from granting preferences to persons with specific disabilities (see 24 CFR 982.207(b)(3),

H. APPLYING FOR ADMISSION

The process for applying for admission to the PBV program is not different than the process for applying for admission to the tenant-based program, which are provided in HCAAC's Administrative Plan.

At the time of the application, HCAAC will provide applicants with the opportunity to be placed on the tenant-based waiting list if open, or any open site-based waiting lists.

I. TENANT SELECTION

When notified of a vacancy in a PBV unit, HCAAC will refer tenants according to the following procedures:

First-come, first-served among applicants on the specific PBV waiting list.

For PBV waiting lists that include preferences, HCAAC will select applicants from the waiting list on a first-come, first-based basis who:

- Qualified for preference at the time of application; and
- Continue to qualify for preference at the time of admission.

J. TENANT SCREENING

HCAAC's procedures for tenant screening for the PBV program are not different than procedures for screening tenant-based applicants, which are provided in HCAAC's Administrative Plan.

HCAAC's policy for providing information to owners about families referred to PBV units is not different than HCAAC's policies for tenant-based applicants, which are provided in HCAAC's Administrative Plan.

K. PROCEDURES FOR FAMILIES OCCUPYING A UNIT OF THE WRONG SIZE OR AN ACCESSIBLE UNIT WHOSE ACCESSIBILITY FEATURES ARE NOT REQUIRED BY THE FAMILY

If a family is determined by HCAAC to occupy a wrong-sized unit, or a unit with accessibility features that the family does not require (and such unit is needed by a family that requires the accessibility features) then HCAAC must promptly notify the family and the project owner of this determination and must offer continued assistance in another appropriately sized or accessible unit.

Continued assistance after unit, which may include, but is not limited to the following options:

- PBV assistance in an appropriate-sized unit (in the same building or in another building);
- Other project-based housing assistance (including occupancy of a public housing unit)
- Tenant-based rental assistance under the voucher program; or
- Other comparable public or private tenant-based assistance (e.g., under the HOME program).

For families who have been notified that they occupy a wrong-size unit, and offered continued assistance:

- If the PHA offers the family the opportunity receive tenant-based rental assistance under the voucher program, the PHA must terminate the HAP payments for a wrong-sized unit at expiration of the term of the family's voucher (including any extensions granted by the PHA).
- If the PHA offers the family the opportunity for another form of continued housing assistance (as provided above), and the family does not accept the offer, does not move out of the PBV unit within a reasonable time as determined by the PHA, or both, the PHA must terminate the HAP payments for the wrong-sized unit, at the expiration of a reasonable period as determined by the PHA.

L. RIGHT TO MOVE

A family residing in a PBV unit may terminate the assisted lease any time after the first year of occupancy and request comparable tenant-based assistance from the HCAAC.

Should a family terminate its PBV lease and request alternate assistance, the HCAAC shall offer the family the opportunity for continued tenant-based rental assistance, or if such assistance is not immediately available upon termination of the lease, the HCAAC will give the family priority to receive tenant-based rental assistance at the next available opportunity for such tenant-based rental assistance.

A family may choose to transfer to another project-based unit, if one is available and such a move is required as a reasonable accommodation to the individual's disability. In such a situation, the individual would go to the top of the new provider's project based waiting list. A reasonable accommodation transfer under this part is subject to the new provider's determination that they are able to serve the individual, based on an individual determination of the facts and circumstances in each case.

If the family terminates the assisted lease before the end of the first year of occupancy, the family will not be entitled to tenant-based assistance or priority for such assistance under this section. However, the family may reapply for tenant-based assistance or other project based assistance as otherwise provided in this Administrative Plan.

The Informal Hearing Policy, as an Amendment to the Housing Choice Voucher Administrative Plan, will replace the current language on Page 25 Part J and 32, Section VII, Part A:

HOUSING CHOICE VOUCHER INFORMAL REVIEW AND HEARING POLICY (Housing Commission of Anne Arundel County)

Informal Review Federal Requirements

Pursuant to 24 CFR 982.554:

§982.554 Informal review for applicant.

(a) *Notice to applicant.* The PHA must give an applicant for participation prompt notice of a decision denying assistance to the applicant. The notice must contain a brief statement of the reasons for the PHA decision. The notice must also state that the applicant may request an informal review of the decision and must describe how to obtain the informal review.

(b) *Informal review process.* The PHA must give an applicant an opportunity for an informal review of the PHA decision denying assistance to the applicant. The administrative plan must state the PHA procedures for conducting an informal review. The PHA review procedures must comply with the following:

(1) The review may be conducted by any person or persons designated by the PHA, other than a person who made or approved the decision under review or a subordinate of this person.

(2) The applicant must be given an opportunity to present written or oral objections to the PHA decision.

(3) The PHA must notify the applicant of the PHA final decision after the informal review, including a brief statement of the reasons for the final decision.

(c) *When informal review is not required.* The PHA is not required to provide the applicant an opportunity for an informal review for any of the following:

(1) Discretionary administrative determinations by the PHA.

(2) General policy issues or class grievances.

(3) A determination of the family unit size under the PHA subsidy standards.

(4) A PHA determination not to approve an extension or suspension of a voucher term.

(5) A PHA determination not to grant approval of the tenancy.

(6) A PHA determination that a unit selected by the applicant is not in compliance with HQS.

(7) A PHA determination that the unit is not in accordance with HQS because of the family size or composition.

(d) *Restrictions on assistance for noncitizens.* The informal hearing provisions for the denial of assistance on the basis of ineligible immigration status are contained in 24 CFR part 5.

HCAAC Policy on Informal Reviews

If the program applicant is denied assistance by the standards set forth in the HCAAC Administrative Plan and believes that the agency made an inaccurate determination or did not follow its policies or HUD rules in making its decision, they may request an informal review. Requests for an Informal Review must be made within 10 business days of HCAAC giving notice of a written denial of assistance/eligibility letter. Requests can be made either orally or in writing, and the agency will schedule the review on the next date available of the hearing officer. Applicants may request a later date for their review if they require more time to prepare, require the assistance of legal counsel or require special assistance or a reasonable accommodation. HCAAC has discretion to deny a postponement.

The Process

A hearing officer presides over the informal review. This person assigned as the Hearing Officer is impartial and has no prior knowledge of the applicant record being presented. The Hearing is informal, and follows a prescribed format that first allows the Housing Commission to present the reason, evidence and/or testimony for denial of assistance. Thereafter, the program applicant (or designee/counsel) is allowed to present their counter argument, reason, evidence and testimony (which may also include witnesses) to allow the Hearing Officer to make a qualified determination on the provision of assistance.

Before the informal review, applicants must be given the opportunity to review any relevant file/determination documents. Applicants may request a copy of any of these documents and the agency will strive to provide them complimentary, within reason. Any person, including a lawyer, may represent the applicant at applicant's expense. Any request to review the documents must be made in a timely in advance of the hearing. Documents will also be available for review at the hearing, but the hearing will not be continued or unreasonably delayed to allow review if the request is not made in advance of the hearing.

Both parties must appear at the scheduled review. If either does not, the hearing officer has two choices: decide that the absent party has given up the right to a review, or postpone the review if reasonable, extenuating circumstance prevented one of the parties from attending.

The hearing officer regulates the process. If any participant, including any witness, is abusive, threatening, or excessively disrespectful, the hearing officer has discretion to continue the review for another time, exclude the offending person from the review, or take such other reasonable action as to allow the review to continue forward without interruption. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings. The Hearing officer has discretion to allow the parties to speak out of turn and allow rebuttal and sur-rebuttal as the situation requires

After the Review

The officer will consider all evidence introduced at the review. He or she will render a decision in writing to the applicant within 10 business days of the date of the review meeting. The notice will include a determination of the officer's reasons, the facts relied upon and a resolution of all material disputes of fact.

The Agency/Hearing Officer will exercise consideration of circumstances in accordance with 24 CFR 982.552 (c) (2):

Consideration of circumstances. In determining whether to deny assistance because of action or failure to act by members of the family:

(i) The agency may consider all relevant circumstances such as the seriousness of the case, the extent of participation or culpability of individual family members, mitigating circumstances related to the disability of a family member, and the effects of denial of assistance on other family members who were not involved in the action or failure.

(ii) *(Not applicable to admissions).*

(iii) In determining whether to deny admission for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, the PHA consider whether such household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully (42 U.S.C. 13661). For this purpose, the PHA may require the applicant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

(iv) If the family includes a person with disabilities, the PHA decision concerning such action is subject to consideration of reasonable accommodation in accordance with part 8 of this title.

(v) *Nondiscrimination limitation and protection for victims of domestic violence, dating violence, or stalking.* The agency's admission actions must be consistent with fair housing and equal opportunity provisions of §5.105 of this title, and with the requirements of 24 CFR part 5, subpart L, protection for victims of domestic violence, dating violence, or stalking.

HCAAC is not bound by a hearing officer's decision:

(1) Concerning a matter for which HCAAC is not required to provide an opportunity for an informal review under this section, or that otherwise exceeds the authority of the hearing officer under the review procedures.

(2) Contrary to HUD regulations or requirements, or otherwise contrary to federal, State, or local law.

(3) If HCAAC determines that it is not bound by the decision reached after the review, HCAAC must promptly notify the family of the determination, and of the reasons for the determination.

HCAAC is not bound by a hearing officer's decision:

(1) Concerning a matter for which HCAAC is not required to provide an opportunity for an informal review under this section, or that otherwise exceeds the authority of the hearing officer under the review procedures.

(2) That is contrary to HUD regulations or requirements, or otherwise contrary to federal, State, or local law.

(3) If HCAAC determines that it is not bound by the decision reached after the review, HCAAC must promptly notify the family of the determination, and of the reasons for the determination.

Review Exceptions (When an Informal Review is Not Required)

The agency does not have to provide an informal hearing to review any of the following:

- (1) Discretionary administrative determinations by HCAAC.
- (2) General policy issues or class grievances.
- (3) A determination of the family unit size under HCAAC subsidy standards
- (4) an HCAAC determination not to approve an extension or suspension of a voucher term.

Informal Hearing Federal Requirements

Pursuant to 24 CFR 982.555:

§982.555 Informal hearing for participant.

(a) *When hearing is required.*(1) a PHA must give a participant family an opportunity for an informal hearing to consider whether the following PHA decisions relating to the individual circumstances of a participant family are in accordance with the law, HUD regulations and PHA policies:

(i) A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment.

(ii) A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the PHA utility allowance schedule.

(iii) A determination of the family unit size under the PHA subsidy standards.

(v) A determination to terminate assistance for a participant family because of the family's action or failure to act (see §982.552).

(vi) A determination to terminate assistance because the participant family has been absent from the assisted unit for longer than the maximum period permitted under PHA policy and HUD rules.

(2) In the cases described in paragraphs (a)(1) (iv), (v) and (vi) of this section, the PHA must give the opportunity for an informal hearing before the PHA terminates housing assistance payments for the family under an outstanding HAP contract.

(4) a PHA determination not to approve an extension or suspension of a voucher term.

(5) a PHA determination not to approve a unit or tenancy.

(7) a PHA determination that the unit is not in accordance with HQS because of the family size.

(8) A determination by the PHA to exercise or not to exercise any right or remedy against the owner under a HAP contract.

(c) *Notice to family.* (1) In the cases described in paragraphs (a)(1) (i), (ii) and (iii) of this section, the PHA must notify the family that the family may ask for an explanation of the basis of the PHA determination, and that if the family does not agree with the determination, the family may request an informal hearing on the decision.

(2) In the cases described in paragraphs (a)(1) (iv), (v) and (vi) of this section, the PHA must give the family prompt written notice that the family may request a hearing. The notice must:

(i) Contain a brief statement of reasons for the decision,

(ii) State that if the family does not agree with the decision, the family may request an informal hearing on the decision, and

(iii) State the deadline for the family to request an informal hearing.

(d) *Expeditious hearing process.* Where a hearing for a participant family is required under this section, the PHA must proceed with the hearing in a reasonably expeditious manner upon the request of the family.

(e) *Hearing procedures—(1) Administrative plan.* The administrative plan must state the PHA procedures for conducting informal hearings for participants.

(2) *Discovery—(i) By family.* The family must be given the opportunity to examine before the PHA hearing any PHA documents that are directly relevant to the hearing. If the PHA does not make the document available for examination on request of the family, the PHA may not rely on the document at the hearing.

(ii) *By PHA*. The PHA hearing procedures may provide that the PHA must be given the opportunity to examine at PHA offices before the PHA hearing any family documents that are directly relevant to the hearing. The PHA must be allowed to copy any such document at the PHA's expense. If the family does not make the document available for examination on request of the PHA, the family may not rely on the document at the hearing.

(3) If the PHA determines that it is not bound by a hearing decision, the PHA must promptly notify the family of the determination, and of the reasons for the determination.

(g) *Restrictions on assistance to noncitizens*. The informal hearing provisions for the denial of assistance on the basis of ineligible immigration status are contained in 24 CFR part 5.

HCAAC Policy on Informal Hearings

Program recipients must follow the terms and conditions of the Housing Choice Voucher issued by the Housing Commission. Should the agency make the determination that a recipient has failed to meet the conditions of the voucher requirements or violated the federal program rules, program assistance may be terminated in accordance with 24 CFR 982.555 aforementioned.

If the program recipient believes that the agency made an inaccurate determination or did not follow its policies or HUD rules in making its decision, they may request an informal hearing. Requests for Informal Hearings must be made within 10 business days of HCAAC giving notice of a written termination (or benefit modification/determination) letter. Requests can be made either orally or in writing. For convenience the agency will include a Request for Hearing Form in the letter.

The Process

A hearing officer presides over the informal hearing. This person assigned as the Hearing Officer is impartial and has no prior knowledge of the case being presented. The Hearing is informal, and follows a prescribed format that first allows the Housing Commission to present the reason, evidence and/or testimony for termination/modification of assistance (which may include witnesses). Thereafter, the program recipient (or designee/counsel) is allowed to present their counter argument, reason, evidence and testimony (which may also include witnesses) to allow the Hearing Officer to make a qualified determination as to continuation, modification or termination of future assistance. The Hearing officer has discretion to allow the parties to speak out of turn and allow rebuttal and sur-rebuttal as the situation requires,

Before the hearing, recipients must be given the opportunity to review any relevant file/determination documents. Recipients may request a copy of any of these documents and the agency will strive to provide them complimentary, within reason. Any person, including a lawyer, may represent the recipient at recipient's expense. Any request to review the documents must be made in a timely in advance of the hearing. Documents will also be available for review at the hearing, but the hearing will not be continued or unreasonably delayed to allow review if the request is not made in advance of the hearing

Both parties must appear at the scheduled hearing. If either does not, the hearing officer has two choices: decide that the absent party has given up the right to a hearing, or postpone the hearing if reasonable, extenuating circumstance prevented one of the parties from attending. HCAAC has discretion to deny a postponement.

The hearing officer regulates the process. If any participant, including any witness, is abusive, threatening, or excessively disrespectful, the hearing officer has discretion to continue the hearing for another time, exclude the offending person from the review, or take such other reasonable action as to allow the review to continue forward without interruption. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings. The Hearing officer has discretion to allow the parties to speak out of turn and allow rebuttal and sur-rebuttal as the situation requires

After the Hearing

The officer will consider all evidence shown at the hearing. He or she will render a decision in writing within 10 business days of the hearing. The notice will include a determination of the officer's reasons.

The Agency/Hearing Officer will exercise consideration of circumstances in accordance with 24 CFR 982.552 (c) (2):

Consideration of circumstances. In determining whether to deny or terminate assistance because of action or failure to act by members of the family:

(i) The agency may consider all relevant circumstances such as the seriousness of the case, the extent of participation or culpability of individual family members, mitigating circumstances related to the disability of a

family member, and the effects of termination of assistance on other family members who were not involved in the action or failure.

(ii) The agency may impose, as a condition of continued assistance for other family members, a requirement that other family members who participated in or were culpable for the action or failure will not reside in the unit. The PHA may permit the other members of a participant family to continue receiving assistance.

(iii) In determining whether to terminate assistance for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, the agency consider whether such household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully (42 U.S.C. 13661). For this purpose, the agency may require the applicant or tenant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

(iv) If the family includes a person with disabilities, the agency decision concerning such action is subject to consideration of reasonable accommodation in accordance with part 8 of this title.

(v) *Nondiscrimination limitation and protection for victims of domestic violence, dating violence, or stalking.* The agency's termination actions must be consistent with fair housing and equal opportunity provisions of §5.105 of this title, and with the requirements of 24 CFR part 5, subpart L, protection for victims of domestic violence, dating violence, or stalking

HCAAC is not bound by a hearing officer's decision:

(1) Concerning a matter for which HCAAC is not required to provide an opportunity for an informal hearing under this section, or that otherwise exceeds the authority of the hearing officer under the hearing procedures.

(2) That is contrary to HUD regulations or requirements, or otherwise contrary to federal, State, or local law.

(3) If HCAAC determines that it is not bound by a hearing decision, HCAAC must promptly notify the family of the determination, and of the reasons for the determination.

Hearing Exceptions

The agency does not have to provide an informal hearing to review any of the following:

(1) Discretionary administrative determinations by HCAAC.

(2) General policy issues or class grievances.

(3) Establishment of HCAAC's schedule of utility allowances for families in the program.

(4) an HCAAC determination not to approve an extension or suspension of a voucher term.

(5) an HCAAC determination not to approve a unit or tenancy.

(6) an HCAAC determination that an assisted unit is not in compliance with HQS. (However, the agency must provide the opportunity for an informal hearing for a decision to terminate assistance for a breach of the HQS caused by the family as described in §982.551(c).)

(7) an HCAAC determination that the unit is not in accordance with HQS because of the family size.

(8) A determination by HCAAC to exercise or not to exercise any right or remedy against the owner under a HAP contract.

ADDENDA TO THE HOUSING CHOICE VOUCHER ADMINISTRATIVE PLAN

EFFECTIVE JULY 1, 2017

VIOLENCE AGAINST WOMEN ACT (VAWA) POLICY

It is the policy of the Housing Commission of Anne Arundel County (PHA) to provide decent, safe, and secure dwelling units for the tenants and their families in all PHA communities.

The following provisions are applicable to situations involving incidents involving actual or threatened domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation, as those terms are defined in Section 6(u)(3) of the United States Housing Act of 1937, as amended, (42 U.S.C. § 1437d(u)(3)) and in HCAAC's Violence Against Women Act (VAWA) Policy, and which must be applied consistent with all nondiscrimination and fair housing requirements. To the extent any provision of this section shall vary from or contradict any other provision of this lease, the provisions of this section shall prevail.

A. Termination of tenancy.

1. An incident or incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking shall not constitute a serious or repeated violation of the lease by the victim of such violence; and
2. Criminal activity directly relating to domestic violence, dating violence, sexual assault or stalking, engaged in by a member of the tenant's household, a guest, or other person under the tenant's control, shall not be cause for termination of tenancy or occupancy rights, if the Tenant or any member of the Tenant's family is a victim of that domestic violence, dating violence, or stalking.
3. Notwithstanding anything to the contrary contained in paragraphs A.1. and A.2. above, HCAAC may terminate Tenant's tenancy under this lease if it can demonstrate an actual and imminent threat to other tenants or to those employed at or providing service to the development in which the unit is located, if the tenant's tenancy is not terminated.

Further, nothing in this section shall prohibit HCAAC from terminating tenancy under this lease based on a violation of this lease not premised on an act or acts of domestic violence, dating violence, sexual assault or stalking against the tenant, a member of the tenant's household, survivors of sexual assault, and intimate partner, affiliated individual, which includes any person living with the survivor and related to him or her by blood or marriage including the survivor's spouse, parent, brother, sister, child, or any person to whom

the survivor stands in loco parentis for which protection against termination of tenancy is given in paragraphs A.1. and A.2. above. However, in taking any such action to terminate tenancy, HCAAC shall not apply a more demanding standard to you than to other tenants.

B. Bifurcation of Lease. Under the authority provided in Section 6(l)(6)(B) of the United States Housing Act of 1937, as amended (42 U.S.C. §1437d(l)(6)(B)), HCAAC may bifurcate this lease in order to evict, remove, or terminate assistance to any individual who is a Tenant or a lawful occupant under this lease and who engages in criminal acts of physical violence against family members or others. HCAAC may take such action without evicting, removing, terminating assistance to, or otherwise penalizing a victim of such violence who is the Tenant or a lawful occupant under this lease.

C. Certification. If the Tenant or a lawful occupant, as a defense to termination of tenancy or an action to evict, claims protection under this section against such action, HCAAC may (but is not required to) request the individual to deliver to HCAAC a certification. The certification may be delivered in one of the following forms:

1. A HUD-approved form attesting that the individual is a victim of domestic violence, dating violence, or stalking and that the incident or incidents in question are bona fide incidents of such actual or threatened abuse and meet the requirements of this section, or
2. Documentation signed by an employee, agent or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing domestic violence, dating violence, or stalking or the effects of the abuse, in which the professional attests under penalty of perjury to the professional's belief that the incident or incidents in question are bona fide incidents of abuse, and the victim has signed or attested to the documentation, or
3. A federal, State, tribal, or local police report or court record, describing the incident or incidents in question.

The certification must be delivered to HCAAC within 10 days after the request for certification is received from HCAAC. If the certification is not delivered within the 10-day period allowed, the provisions of this section will not apply and HCAAC may elect to terminate tenancy and evict without regard to the protections provided in this section.

- D. Confidentiality.** The law requires that information provided to HCAAC concerning an incident or incidents of domestic violence, dating violence, or stalking be retained in confidence, not placed in any shared data base nor provided to a related entity, except to the extent disclosure requested or consented to by the individual supplying such information, or required for use in an eviction proceeding, or otherwise required by applicable law.
- E. Notification.** The law requires that all existing tenants, as well as new tenants, of all HUD-covered programs receive notification of their rights under VAWA and HUD's VAWA regulations.
1. Notice of Occupancy Rights Under the Violence Against Women Act Form HUD-5380
 2. Certification of Domestic Violence, Dating Violence Sexual Assault, or Stalking and Alternate Documentation Form HUD-5382
 3. Lease Addendum Violence Against Women and Justice Department Reauthorization Act of 2005 Form HUD-91067
- F. Conflicting Evidence.** In cases of conflicting evidence, tenants and applicants who may need to submit third-party documentation to document occurrence of a VAWA crime have 30 calendar days to submit the third-party documentation. (See § 5.2007(b)(2).)
- G. Emergency Transfer Plan.** This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the Federal agency that oversees that the Housing Commission of Anne Arundel County is in compliance with VAWA.

Eligibility for Emergency Transfers

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L is eligible for an emergency transfer, if: the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.

A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

Emergency Transfer Request Documentation

To request an emergency transfer, the tenant shall notify the on-site management office and submit a written request for a transfer to the on-site management office. The PHA may request certain documentation from tenant(s) seeking emergency transfers under VAWA. The PHA will provide reasonable accommodations to this policy for individuals with disabilities. The tenant's written request for an emergency transfer should include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under The PHA's program; OR
2. A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.

Emergency Transfer Timing and Availability

The PHA cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. The PHA will, however, act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. The PHA may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If the PHA has no safe and available units for which a tenant who needs an emergency is eligible, the PHA will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, THE PHA will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.

Safety and Security of Tenants

Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.

Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY).

Tenants who have been victims of sexual assault may call the Rape, Abuse & Incest National Network's National Sexual Assault Hotline at 800-656-HOPE, or visit the online hotline at <https://ohl.rainn.org/online/>.

Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime's Stalking Resource Center at <https://www.victimsofcrime.org/our-programs/stalking-resource-center>.
